MEMORANDUM

TO: Legislative Education Study Committee

FR: Pamela Herman

RE: UPDATE: 2008 COHORT GRADUATION RATE REPORT

In August 2009, the Legislative Education Study Committee (LESC) heard a presentation of the Public Education Department (PED) preliminary cohort graduation rate data¹ for the class of 2008. According to PED, the report was required in order to meet federal and state mandates that adequate yearly progress (AYP) data be announced prior to the start of school.

On October 2, 2009, PED issued a press release reporting that Dr. Veronica C. García, Secretary of Public Education, had, on that date, certified the 2008 cohort graduation rates for New Mexico schools (see Attachment 1). According to the press release, the statewide certified cohort graduation rate for all students reported by PED in October is 60.3 percent, 6.3 percent more than the preliminary rate of 54 percent that PED reported on August 3, 2009.

Accompanying the press release was the certified report itself, showing the rates for all students and each demographic subgroup not only statewide but also for every school district and every public school, including charter schools, with any grade from 9 through 12 (see Attachment 2, *4-year Cohort Graduation Rates, Class of 2008*).

- Selected data from the report, summarized in Table 1 below, show that the graduation rates for demographic subgroups statewide changed to varying degrees from those announced in August to the certified October rates:

¹ The graduation rate is the "other academic indicator," in addition to standards-based test scores, used to determine AYP for high schools for federal and state school accountability purposes.

Table 1: Changes in All Student and Subgroup Cohort Graduation Rates, Preliminary to Certified PED Reports

Subgroup	Preliminary Rate (%)	Certified Rate (%)	Change
All students	54.0	60.3	+6.3 points
Female	58.6	64.9	+6.3 points
Male	49.7	55.9	+6.2 points
Caucasian	64.1	71.3	+7.2 points
African-American	52.0	60.9	+8.9 points
Hispanic	50.2	56.2	+6.0 points
Asian	67.4	80.1	+12.7 points
Native American	45.4	49.8	+4.4 points
Econ. Disadvantaged	60.5	64.8	+4.3 points
Students with Disabilities	46.8	53.1	+6.3 points
English Language Learners	55.6	61.1	+5.5 points

Data Source: Public Education Department

- Two tables posted on the PED website summarize changes in school districts' graduation rates (see Attachment 3, *Rate Change Table by District*, organized alphabetically; and Attachment 4, *Rate-Change Table by % Change*, organized in ascending order by the number of points, up or down, that each district's graduation rate changed). These tables do not include information about charter schools or state-supported schools. The tables show the following:
 - data elements were updated for every school district in the state, either prior to or after the PED deadline;
 - 33 school districts (37 percent) saw no change in their graduation rates after the data were corrected;
 - 56 school districts (approximately 63 percent) did see changes in their graduation rates:
 - 32 (approximately 36 percent) saw changes of 1 to 5 percentage points;
 - 9 (10.1 percent) saw changes of 6 to 10 percentage points;
 - 12 (approximately 13 percent) saw changes of 11 to 20 percentage points; and
 - 3 (approximately 3.0 percent) saw changes of 20 to 43 percentage points;
 - 12 school districts (approximately 13 percent) saw decreases in their graduation rates, from less than 1.0 percent to approximately 16.6 percent; and
 - 44 school districts (approximately 50 percent) saw increases in their graduation rates, from less than 1.0 percent to approximately 43 percent.
- PED states that, as a result of changes in graduation rate data, determinations related to AYP for 18 schools changed:
 - 16 public schools and one state-supported school that had appeared not to meet the graduation rate target for the class of 2008 were determined to have reached that target:
 - Academy Del Sol Alternative High School in Alamogordo Public Schools;
 - six high schools in Albuquerque Public Schools: La Resolana Leadership Academy; Albuquerque High School, Del Norte High School, Valley High School, and West Mesa High School;

- Animas High School in Animas Public Schools;
 - Newcomb High School in Central Consolidated Schools;
 - Moreno Valley Charter High School in Cimarron Municipal Schools;
 - Estancia Valley Learning Center in Estancia Municipal Schools;
 - Hobbs Freshman School in Hobbs Municipal Schools;
 - three high schools in Las Cruces Public Schools: Las Cruces High School, Mayfield High School, and Oñate High School;
 - Lordsburg High School in Lordsburg Municipal Schools; and
 - the New Mexico School for the Deaf;
- two schools that had appeared not to make AYP were determined to have done so:
- Animas High School; and
 - Moreno Valley Charter High School; and
- one school, Aldo Leopold Charter School in Silver Consolidated Schools, that had appeared to have made AYP was determined not to have done so.
- According to PED, the graduation rate target for 2009 is 52 percent.

Dr. Veronica C. García
Secretary of Education

NEWS RELEASE

For Immediate Release: October 2, 2009

Secretary García Certifies 2009 AYP and 2008 Cohort Graduation Rate

SANTA FE –Secretary of Education Veronica C. García today certified 2009 Adequate Yearly Progress (AYP) results and 2008 cohort graduation rates for New Mexico schools. Preliminary numbers were announced August 3, 2009 to meet federal and state mandated requirements.

The certified 2008 cohort graduation rate for New Mexico is 60%. There were a total of 15,834 changes to districts' reports after the reporting deadline, resulting in the 6 percent increase in the cohort graduation rate. For the certified cohort graduation rate, 73 percent of school districts statewide changed between 0-5 percent on self-reported corrections. Thirty-three districts reported no change in their rates.

A persistent achievement gap is also evident in these graduation rates. Caucasian students had a graduation rate of 71.3 percent; Asian students – 80.1 percent, which both exceed the national average of 69.2 percent. Hispanic students have a graduation rate of 56.2 percent; African American students – 60.9 percent; American Indian students – 49.8 percent; and English Language Learner posted a 61.1 percent.

“While the overall statewide 2008 graduation rate is up from preliminary numbers, 60 percent is no cause for celebration. It would be unconscionable to lose our sense of urgency to address our serious drop out problem. Each student is much more than just a statistic. National studies report that not having a high school diploma impacts a student's quality of life, overall health, and economic security. We must unite and do all we can to focus our efforts on Governor Richardson's **Graduate New Mexico** initiative. It is still a relevant endeavor,” said Secretary Garcia.

This is the first year the state has calculated a cohort graduation rate. PED has adopted a continuous improvement process, and we are committed to working with the districts to make sure that they understand the importance of meeting required reporting deadlines with the most accurate information to cut down on the number of revisions.

All 820 schools, including charter schools, are annually given an opportunity to appeal their AYP ratings. Sixty schools appealed resulting in 9 additional schools making AYP. They are: Berrendo Elementary and Roswell High School in Roswell; Grace B. Wilson Elementary in Central Consolidated Schools; Animas High School in Animas; Moreno Valley High School in Cimarron; and 21st Century Public Academy, Atrisco Heritage, Media Arts Collaborative, and Dennis Chavez Elementary in Albuquerque.

Specific AYP and cohort graduation rate information for all New Mexico schools and school districts can be found on the PED website www.ped.state.nm.us.

4-Year Cohort Graduation Rates, Class of 2008

Certified 10/2/09

Results are masked for subgroups with fewer than 10 students to comply with confidentiality requirements.
