

## **LEGISLATIVE CAPITAL PROJECT ANALYST**

The Legislative Finance Committee is seeking a fiscal analyst for capital outlay funding. Position requires budget review and formulation of recommendations, policy analysis and monitoring of operating and capital revenues and expenditures for assigned agencies, and other financial oversight as assigned. Bachelor's degree in finance, business, accounting or public administration required; but a Master's degree in these disciplines desired. Strong written and oral communication skills and spreadsheet and database applications required. Construction management or experience in state governmental accounting and finance desirable. Position and salary based on education and level of experience. Send a letter of interest and resume by August 3, 2015, to Linda Kehoe, Legislative Finance Committee, 325 Don Gaspar, Suite 101, Santa Fe, New Mexico 87501 or fax to (505) 986-4545.
