C. GENERAL CONTROL					

ATTORNEY GENERAL:

(1) Legal services:

The purpose of the legal services program is to deliver quality opinions, counsel, representation and other legal services to state government entities and to enforce state law on behalf of the public so that New Mexicans have an open, honest, efficient government and enjoy the protection of state law.

Appropriations:

(a) Personal services and employee benefits	9,388.6		47.8		9,436.4
(b) Contractual services	362.5				362.5
(c) Other	364.6	1,200.0			1,564.6
(d) Other financing uses	2.6				2.6

Authorized FTE: 141.00 Permanent; 1.00 Temporary

The internal services funds/interagency transfers appropriations to the legal services program of the attorney general in the personal services and employee benefits category include forty-seven thousand eight hundred dollars (\$47,800) from the medicaid fraud division.

All revenue generated from antitrust cases and consumer protection settlements through the attorney general on behalf of the state, political subdivisions or private citizens shall revert to the general fund.

The other state funds appropriation to the legal services program of the attorney general in the other category includes one million two hundred thousand dollars (\$1,200,000) from settlement funds.

(2) Medicaid fraud:

The purpose of the medicaid fraud program is to investigate and prosecute medicaid provider fraud, recipient abuse and neglect in the medicaid program.

Appropriations:

(a) Personal services and employee benefits	234.7			675.1	909.8
(b) Contractual services	5.7			16.3	22.0

Authorized FTE: 139.00 Permanent

The medical assistance program of the human services department shall make changes to the medicaid program consistent with the recommendations of the medicaid reform committee contingent on enactment of House Bill 384, Senate Bill 338 or similar legislation of the first session of the forty-sixth legislature.

The internal services funds/interagency transfers appropriations for the medical assistance program of the human services department include five hundred thousand dollars (\$500,000) from the department of health to leverage two million dollars (\$2,000,000) of Rural Primary Healthcare Act funds within the medicaid program contingent on approval and implementation of an alternative prospective payment system to reimburse federally qualified health centers for services to medicaid and salud patients that more effectively protects the federal qualified health centers safety net providers from the effects of medical inflation, and approval and implementation of a methodology for the human services department to reimburse federally qualified health centers for the salaries and overhead costs for medicaid outstationed eligibility workers employed at federally qualified health centers.

The medical assistance program may receive intergovernmental and interagency transfers. Such transfers are appropriated to the program for the purpose of matching federal medicaid funds relative to enhanced medicaid disproportionate share allocations for qualified hospitals, increases in upper payment limit capacities, non-entitlement waiver programs that reduce the number of uninsured and/or other efforts to maximize federal dollars. The transfers shall be reviewed by the legislative finance committee and are contingent on certification by the secretary of finance and administration that no additional general fund appropriation will be required.

<u>Item</u>	<u>General Fund</u>	<u>Other State Funds</u>	<u>Intrnl Svc Funds/Inter- Agency Trnsf</u>	<u>Federal Funds</u>	<u>Total/Target</u>
-------------	-------------------------	----------------------------------	---	--------------------------	---------------------

(\$600,000) to the children, youth and families department for domestic violence services, eight hundred thousand dollars (\$800,000) to the state highway and transportation department for transportation services, two million dollars (\$2,000,000) to the economic development department for the development training program, one million dollars (\$1,000,000) to the commission on higher education for nurse and teacher training, one million dollars (\$1,000,000) to the state agency on aging for the gold mentor program and one million dollars (\$1,000,000) to the department of health for substance abuse.

Five hundred thousand dollars (\$500,000) of the appropriation to the children youth and families for child care training is contingent on development of a program for assisting early childhood development teachers who are clients of the temporary assistance for needy families program and enrolled in a post-secondary degree program to improve their employment skills. This appropriation is contingent on the children, youth and families department developing a program consistent with temporary assistance for needy families funding guidelines after review by the human services department and the legislative finance committee.

The four million dollars (\$4,000,000) from the federal funds appropriation for full-day kindergarten slots shall only be used for students eligible for temporary assistance for needy families. This appropriation is sufficient to fund temporary assistance for needy families full-day kindergarten slots at the 2003-2004 school year unit value. Eligibility determination for the kindergarten slots shall coincide with eligibility for the free or reduced school lunch program. These funds shall be transferred to the state department of public education and identified separately.

The one million dollars (\$1,000,000) from the federal funds appropriation for post-secondary education shall only be used for persons with incomes below 200 percent of the federal poverty level. Support for the participants will be in the form of tuition for full-time students enrolled in programs that result in professional nursing or teaching certification. Funds may also be used for direct costs in proportion to the number of eligible participants in the program. Appropriate administrative costs are also allowed. The appropriation is contingent on the commission for higher education developing a program consistent with temporary assistance for needy families funding guidelines after review by the human services department, department of finance and administration and the legislative finance committee. These funds shall be transferred to the commission for higher education, identified separately and used only for eligible participants.

The general fund appropriations to the income support program of the human services department include four million seven hundred thousand dollars (\$4,700,000) for general assistance.

**J. HIGHER EDUCATION**

On approval of the commission on higher education, the state budget division of the department of finance and administration may approve increases in budgets of agencies, in this subsection, with the exception of the policy development and institutional financial oversight program of the commission on higher education, whose other state funds exceed amounts specified. In approving budget increases, the director

------	-----------------	-------------------------	--	------------------	--------------

of the state budget division shall advise the legislature through its officers and appropriate committees, in writing, of the justification for the approval.

Except as otherwise provided, any unexpended or unencumbered balance remaining at the end of fiscal year 2004 shall not revert to the general fund.

COMMISSION ON HIGHER EDUCATION:

(1) Policy development and institutional financial oversight:

The purpose of the policy development and institutional financial oversight program is to provide a continuous process of statewide planning and oversight within the commission's statutory authority for the higher education partners to ensure both the efficient use of state resources and progress in implementing the public agenda.

Appropriations:

(a) Personal services and employee benefits	1,486.4		39.9	270.6	1,796.9
(b) Contractual services	26.1			36.0	62.1
(c) Other	898.8	30.0	190.0	3,634.4	4,753.2

Authorized FTE: 24.00 Permanent; 9.50 Term

The federal funds appropriation to the policy development and institutional financial oversight program of the commission on higher education in the other category includes one million dollars (\$1,000,000) for the program development enhancement fund from the temporary assistance for needy families block grant which is contingent on House Bill 392, Senate Bill 370 or similar legislation of the first session of the forty-sixth legislature becoming law and contingent on the commission developing a program consistent with federal temporary assistance for needy families funding guidelines after review by both the human services department and legislative finance committee.

Any unexpended or unencumbered balance in the policy development and institutional financial oversight program remaining at the end of fiscal year 2004 from appropriations made from the general fund shall revert to the general fund.

Performance measures:

(a) Efficiency:	Percent of properly completed capital infrastructure draws released to the state board of finance within thirty days of receipt from the institutions	75%
(b) Output:	Percent of commission and committee meeting agendas that

**K. PUBLIC SCHOOL SUPPORT**

Except as otherwise provided, unexpended and unencumbered balances of appropriations made in this subsection shall not revert at the end of fiscal year 2004.

**PUBLIC SCHOOL SUPPORT:**

(1) State equalization guarantee distribution:

Appropriations:	1,720,906.6	3,000.0	1,723,906.6
-----------------	-------------	---------	-------------

Prior to the approval of school district and charter school budgets for fiscal year 2004, the state superintendent shall verify that each local school board is providing a six percent salary increase for teachers and instructional support providers, except educational assistants, no later than the last pay period of December 2003; a three percent salary increase for all other certified and noncertified school employees, including transportation employees, effective July 1, 2003; and a minimum salary of thirty thousand dollars (\$30,000) for teachers, effective July 1, 2003.

Prior to the approval of a school district and charter school's budget for fiscal year 2004, the state superintendent shall verify that an amount equal to or more than one percent of a school district's or charter school's approved fiscal year 2003 operating budget has been reallocated to direct instruction for expenditure in fiscal year 2004.

Prior to the approval of a school district and charter school budget for fiscal year 2004, the state superintendent must certify to the secretary of finance and administration and the legislative finance

-------------	-------------------------	----------------------------------	---	--------------------------	---------------------

committee that the general fund appropriation to the state equalization distribution reflects the deduction of sixteen million four hundred thousand dollars (\$16,400,000) in school districts' and charter schools' unrestricted and unreserved cash balances.

In developing fiscal year 2004 operating budgets, school districts and charter schools shall not budget June 30, 2003 cash balances without the approval of the superintendent of public instruction and the secretary of finance and administration.

The general fund appropriation to the state equalization guarantee distribution includes five million seven hundred thousand dollars (\$5,700,000) to fund the first year implementation of the three-tier licensure structure for teachers and to bring all teachers to a minimum salary of thirty thousand dollars (\$30,000).

The general fund appropriation to the state equalization guarantee distribution includes: thirty-seven million nine hundred seventy-seven thousand three hundred dollars (\$37,977,300) for a six percent salary increase for teachers and instructional support providers except educational assistants; and eleven million five hundred fifty-four thousand five hundred dollars (\$11,554,500) for a three percent salary increase for all other certified and noncertified employees.

The general fund appropriation to the state equalization guarantee distribution includes twenty-five million dollars (\$25,000,000) for school districts in fiscal year 2004 for the employers' portion of the increase in insurance costs.

The rate of distribution of the state equalization guarantee distribution shall be based on a program unit value determined by the superintendent of public instruction. The superintendent of public instruction shall establish a preliminary unit value to establish budgets for the 2003-2004 school year and then upon verification of the number of units statewide for fiscal year 2004 but no later than January 31, the superintendent of public instruction may adjust the program unit value.

The general fund appropriation to the state equalization guarantee distribution reflects the deduction of federal revenues pursuant to Paragraph (2) of Subsection C of Section 22-8-25 NMSA 1978 that includes payments commonly known as "impact aid funds" pursuant to 20 USCA 7701 et seq., formerly known as "PL874 funds".

The general fund appropriation to the public school fund shall be reduced by the amounts transferred to the public school fund from the current school fund and from the federal Mineral Lands Leasing Act receipts otherwise unappropriated.

for systems to comply with the proposed architecture no later than July 1, 2003. Appropriations for any development project shall include a turnkey solution with associated warranty that assures the state's needs will be met upon implementation and acceptance of the system. The department of finance and administration shall provide a copy of the certification and all supporting documentation to the legislative finance committee.

(1) TAXATION AND REVENUE DEPARTMENT:

The period of time for expending the five hundred seventy thousand dollars (\$570,000) appropriated from the computer system enhancement fund contained in Item (2) of Section 7 of Chapter 4 of Laws 2002 (1<sup>st</sup> E.S.) is extended through fiscal year 2004 for the purpose of conducting an independent assessment of the oil and natural gas administrative revenue database processes and selection of state-of-the-art technology for use by the petroleum industry and end-users of the taxation and revenue department, energy, minerals and natural resources department and commissioner of public lands and, if necessary, for purification of existing data. One hundred ninety thousand dollars (\$190,000) of the appropriation is from the state lands maintenance fund. Fifty thousand dollars (\$50,000) of the appropriation shall be used to support the statewide New Mexico portal. The taxation and revenue department shall seek appropriate approval from the state chief information officer before funds are encumbered or expended.

(2) DEPARTMENT OF FINANCE AND

ADMINISTRATION:

1,200.0

1,200.0

To continue to implement a single statewide, centralized telecommunications backbone for state government based on asynchronous transfer mode technology. Funding is contingent on the state chief information officer coordinating with the general services department office of communications and preparing a statewide architectural plan and a network architecture plan no later than July 1, 2003. The state-owned digital microwave telecommunication system shall be used at all locations possible to enhance statewide telecommunications and leverage state-owned resources without incurring additional costs. The department of finance and administration shall require the state chief information officer to establish a separate account from which funds can be drawn to pay for expenditures after approval by the information technology commission. The state chief information officer shall provide monthly written reports to the information technology commission, information technology oversight committee and the legislative finance committee.

To maintain a statewide New Mexico portal that will allow citizens query capabilities about government information and services followed by transaction capabilities from a central location. A governing organization shall be formed to clarify decision-making authority and responsibilities to enable the New Mexico portal to operate as an enterprise system. Agencies shall volunteer resources to demonstrate capabilities for integrating the New Mexico portal with current web development projects.

(4) DEPARTMENT OF FINANCE AND

ADMINISTRATION:

7,800.0

4,500.0

12,300.0

To standardize selected financial transactions, code sets and definitions for electronic transmission to comply with the federal Health Insurance Portability and Accountability Act. New technologies shall be leveraged to make more efficient use of state funds. The period of time for expending the two million five hundred thousand dollars (\$2,500,000) appropriated from the computer system enhancement fund contained in Item (11) of Section 7 of Chapter 4 of Laws 2002 (1<sup>st</sup> E.S.) is extended through fiscal year 2004. The project shall be monitored by the state chief information officer. The department of finance and administration shall establish a special account from which funds can be drawn to pay for expenditures after approval by the information technology commission. The state chief information officer shall provide monthly written reports to the information technology commission, information technology oversight committee and the legislative finance committee. This appropriation is contingent upon receiving written approval from the federal funding agency. The department of finance and administration and the state chief information officer shall ensure that prior to release of funds appropriate procurement rules are followed, including the use of a request for proposals for information technology professional services and products. The department of health is authorized to transfer funds from this project to other projects to comply with the federal Health Insurance Portability and Accountability Act.

(5) DEPARTMENT OF FINANCE AND

ADMINISTRATION

The period of time for expending the five hundred thousand dollars (\$500,000) appropriated from the computer systems enhancement fund contained in Item (8) of Section 8 of Chapter 64 of Laws 2001 extended by Item (10) of Section 7, Chapter 4 of Laws 2002 (1<sup>st</sup> E.S) is extended through fiscal year 2004 to develop a nonvendor-specific statewide, integrated, interoperable and interactive state immunization information system capable of sharing data with all entities that gather and maintain health-related data. The project shall comply with state technology standards and open architecture standards. This

100.0

To perform an assessment and publish a strategic plan for an enterprise-wide information security architecture. An enterprise information security architecture will address, but not be limited to, such issues as privacy, information security, business continuity, data integrity and software licensing. A multi-agency team shall be formed to perform an assessment and to develop and publish an enterprise information security strategic plan. Independent consulting resources may be utilized to assist in the assessment and publication of this plan. The state chief information officer shall approve any consultants selected by the multi-agency team to assist in this project. The strategic plan shall be presented to the information technology commission, the legislative finance committee and the information technology oversight committee. The strategic plan shall include recommendations for implementing a comprehensive information security architecture for state executive agencies. Judicial, legislative and educational agencies are encouraged but not required to implement recommendations published within this report.

(7) EDUCATIONAL RETIREMENT BOARD:

The period of time for expending the three million dollars (\$3,000,000) appropriated from the education retirement fund in Item (10) of Section 8, Chapter 64, Laws 2001 as extended by Item (11) of Section 7, Chapter 4, Laws 2002 (1<sup>st</sup> E.S.) is extended through fiscal year 2004. The period of time for expending the two million dollars (\$2,000,000) appropriated from the educational retirement fund contained in Item (11) of Section 7 of Chapter 4 of Laws 2002 (1<sup>st</sup> E.S.) is extended through fiscal year 2004 to complete implementation of an off-the-shelf solution for managing educational retirement membership information. The educational retirement board shall provide periodic reports to the legislative finance committee and the state chief information officer.

(8) PUBLIC EMPLOYEES

RETIREMENT ASSOCIATION:

6,700.0

the two million dollars (\$2,000,000) appropriated from the public employees retirement income fund contained in Item (12) of Section 8, Chapter 64, Laws 2001 extended by Item (12) of Section 7, Chapter 4 of Laws 2002 (1<sup>st</sup> E.S.) is extended through fiscal year 2004. The appropriation includes four FTE. Funds shall be released incrementally by phase after certification by the state chief information officer of successful completion of prior phases. The public employees retirement association shall provide periodic reports to the legislative finance committee and to state chief information officer.

(9) STATE COMMISSION OF PUBLIC RECORDS:

The period of time for expending the one hundred thousand dollars (\$100,000) appropriated from the computer systems enhancement fund in Item (13) of Section 8 of Chapter 64 of Laws 2001 is extended through fiscal year 2004 to replace the records management system with a windows-based, web-enabled system.

(10) SECRETARY OF STATE:	400.0		400.0
--------------------------	-------	--	-------

To complete installation of a voter registration and election management system in three remaining counties, project management costs and to reimburse San Juan County, the pilot county, for its installation costs.

(11) PUBLIC REGULATION COMMISSION:	1,000.0		1,000.0
------------------------------------	---------	--	---------

To complete the redesign of the existing cash management system for the insurance division and to correct all audit findings outlined in an independent validation and verification audit report. The appropriation is from the agent's surcharge fund. The appropriation includes one FTE. Seventy thousand dollars (\$70,000) of the appropriation shall be used to support the statewide New Mexico portal. Funds shall be released incrementally by phase after certification by the state chief information officer of successful completion of prior phases.

(12) STATE AGENCY ON AGING:

The period of time for expending the two hundred twenty-five thousand dollars (\$225,000) appropriated from the general fund contained in Item (36) of Section 5, Chapter 4, Laws 2002 (1<sup>st</sup> E.S.) for computer hardware, software, network infrastructure, web server and training for planning service areas and senior citizen centers is extended through fiscal year 2004. The project shall comply with state technology standards and open architecture standards.

(13) HUMAN SERVICES DEPARTMENT:		17,758.8	17,758.8
---------------------------------	--	----------	----------

To convert the existing Navajo Nation child support enforcement system to the New Mexico base application. The appropriation is from federal funds. This appropriation is contingent on receiving

written approval from the federal funding agency.					
(14) LABOR DEPARTMENT:				12,500.0	12,500.0
To replace the current unemployment tax collection system with a client server-based distributed processing system for expenditure in fiscal year 2003 through fiscal year 2006. The appropriation is from federal Reed Act and federal Economic Security Recovery Act of 2001 funds. Funds shall be released incrementally by phase after certification by the chief information officer of successful completion of prior phases. The labor department shall provide monthly written reports to the state chief information officer and to the legislative finance committee. This appropriation is contingent on receiving written approval from the federal funding agency.					
(15) LABOR DEPARTMENT:				1,500.0	1,500.0
To implement additional enhancements to a client server-based distributed processing system for handling unemployment tax claims for expenditure in fiscal year 2003 through fiscal year 2006. The appropriation is from federal Reed Act and federal Economic Security Recovery Act of 2001 funds. Funds shall be released incrementally by phase after certification by the chief information officer of successful completion of prior phases. The labor department shall provide monthly written reports to the state chief information officer and to the legislative finance committee. This appropriation is contingent on receiving written approval from the federal funding agency.					
(16) LABOR DEPARTMENT:				600.0	600.0
To replace a document scanning system utilized for unemployment tax administration for expenditure in fiscal year 2003 though fiscal year 2006. The appropriation is from federal Reed Act and federal Economic Security Recovery Act of 2001 funds. Funds shall be released incrementally by phase after certification by the chief information officer of successful completion of prior phases. The labor department shall provide monthly written reports to the state chief information officer and to the legislative finance committee. This appropriation is contingent on receiving written approval from the federal funding agency.					
(17) DEPARTMENT OF HEALTH:		500.0			500.0
To complete implementation of the integrated client data system. The system shall comply with the federal Health Insurance Portability and Accountability Act. The department of health is encouraged to reduce reliance on contractors and shall train internal information technology staff to maintain and support the system, apply best practices in the procurement of hardware that adheres to state technical standards and submit a plan detailing the cost of the software, hardware, wiring, data conversion,

training, et cetera, to the legislative finance committee and to the state chief information officer. The department of health shall provide monthly written reports to the state chief information officer and to the legislative finance committee. The department of health is authorized to transfer funds from this project to other projects to comply with the federal Health Insurance Portability and Accountability Act. The department of finance and administration and the state chief information officer will ensure that, prior to release of funds, appropriate procurement rules are followed, including the use of a request for proposals for information technology professional services and products.

(18) DEPARTMENT OF HEALTH: 1,500.0 1,500.0

To continue the implementation of a single, integrated hospital administration system at the Las Vegas medical center and the Los Lunas medical center and for up to eleven FTE. The system shall comply with the federal Health Insurance Portability and Accountability Act. The department of health is encouraged to reduce reliance on contractors, shall train internal information technology staff to maintain and support the system, apply best practices in the procurement of hardware that adheres to state technical standards and submit a plan detailing the cost of the software, hardware, wiring, data conversion, training, et cetera, to the legislative finance committee and to the state chief information officer. The department of health shall provide monthly written reports to the state chief information officer and to the legislative finance committee. The department of health is authorized to transfer funds from this project to other projects to comply with the federal Health Insurance Portability and Accountability Act.

(19) DEPARTMENT OF ENVIRONMENT: 400.0 300.0 700.0

To complete implementation of commercial off-the-shelf software for a department-wide integrated environmental web interface and portal for permit applications and payment of permit fees. Twenty-five thousand dollars (\$25,000) of the appropriation shall be used to support the statewide New Mexico portal. This appropriation is contingent upon receiving written approval from the federal funding agency.

(20) CORRECTIONS DEPARTMENT: 400.0 400.0

To join a corrections consortium (Utah and Alaska) in the joint development of a medical healthcare web project.

(21) DEPARTMENT OF PUBLIC SAFETY: 800.0 800.0

To stabilize the agency computer network and address operating and security vulnerabilities and design flaws identified through an independent assessment performed by the New Mexico institute of mining and technology in December 2002. Funds shall be released incrementally by phase after certification by the state chief information officer of successful completion of prior phases.

7. On page 227, line 4, strike Section 10 in its entirety and insert in lieu thereof:

“Section 10. **CERTAIN FISCAL YEAR 2004 BUDGET ADJUSTMENTS AUTHORIZED.--**

A. As used in this section and Section 9 of the General Appropriation Act of 2003:

(1) "budget category" means an item or an aggregation of related items that represents the object of an appropriation. Budget categories include personal services and employee benefits, contractual services, other and other financing uses;

(2) "budget increase" means an approved increase in expenditures by an agency from a specific source;

(3) "category transfer" means an approved transfer of funds from one budget category to another budget category, provided that a category transfer does not include a transfer of funds between divisions;

(4) "program transfer" means an approved transfer of funds from one program of an agency to another program of that agency; and

(5) "federal funds" means any payments by the United States government to state government or agencies except those payments made in accordance with the federal Mineral Lands Leasing Act and except those payments made in accordance with the federal temporary assistance for needy families block grant and the federal Workforce Investment Act of 1998.

B. Pursuant to Sections 6-3-23 through 6-3-25 NMSA 1978, those budgets adjustments specified in this section are authorized for fiscal year 2004.

C. In addition to the specific category transfers authorized in Subsection E of this section, all agencies, including legislative agencies, may request category transfers among personal

-------------	-------------------------	----------------------------------	---	--------------------------	---------------------

services and employee benefits, contractual services, other and other financing uses.

D. Unless a conflicting budget increase is authorized in Subsection E of this section, an agency with internal services funds/interagency transfers appropriations or other state funds appropriations that collects money in excess of those appropriated may request budget increases in an amount not to exceed five percent of its internal services funds/interagency transfers or other state funds appropriation contained in Section 4 of the General Appropriation Act of 2003. In order to track the five percent transfer limitation, agencies shall report cumulative budget adjustment request totals on each budget adjustment request submitted. The department of finance and administration shall certify agency reporting of these cumulative totals.

E. In addition to the budget adjustment authority otherwise provided in the General Appropriation Act of 2003, the following agencies may request specified budget adjustments:

(1) the New Mexico compilation commission may request budget increases from other state funds for publishing costs associated with subscriptions, supreme court opinions and other publications;

(2) the administrative office of the courts may request transfers up to seventy-six thousand dollars (\$76,000) from any category into the personal services and employee benefits category for a jury project manager to oversee jury initiatives and the court interpreter certification project;

(3) the second judicial district court may request budget increases from internal services funds/interagency transfers, local government, intra-state and other state funds for pretrial services and the metropolitan criminal justice coordinating council;

(4) the Bernalillo county metropolitan court may request budget increases from internal services funds/interagency transfers and other state funds for pretrial services and DWI drug court;

(5) the second judicial district attorney may request budget increases up to seventy-five thousand dollars (\$75,000) from other state funds for attorney bar dues and training; and may request budget increases up to one hundred thousand dollars (\$100,000) from other state funds for personal services and employee benefits;

(6) the eleventh judicial district attorney-Farmington office may request budget increases from internal services funds/interagency transfers and other state funds for funds received from any political subdivisions of the state or from Indian tribes;

transition center programs in conjunction with the department of health; may request budget increases from internal services funds/interagency transfers in excess of the five percent limitation contained herein for costs associated with the inmate forestry work camp; and may request program transfers if the cumulative effect of a requested program transfer, together with all program transfers previously requested and approved pursuant to this subsection, will not increase or decrease the total annual appropriation to a program from any funding source by more than five percent;

(33) the department of public safety may request budget increases from state forfeitures and forfeiture balances to address the enforcement of the Controlled Substances Act; and

(34) the deficiencies corrections unit may request budget increases for project management expenses pursuant to the Public School Capital Outlay Act.

F. The department of military affairs, the department of public safety and the energy, minerals and natural resources department may request budget increases from the general fund as required by an executive order declaring a disaster or emergency.”

8. Renumber the succeeding sections accordingly.

9. Correct all typographical and grammatical errors, renumber and reletter all sections and subsections, adjust all totals and subtotals, adjust language accordingly and delete all bracketed material.
