of an amount equal to fifty percent of the total amount of money distributed to the tobacco settlement permanent fund in [~~the immediately preceding~~] that fiscal year until that amount is less than an amount equal to four and seven-tenths percent of the average of the year-end market values of the tobacco settlement permanent fund for the immediately preceding five calendar years. In that event, in order to avoid an unconstitutional deficit, the legislature may authorize a transfer from the tobacco settlement permanent fund to the general fund but only in an amount necessary to meet general fund appropriations.
