State Highway and Transportation Department

SUMMARY

Synopsis of Bill

SJM requests that the State Highway and Transportation Department conduct a feasibility study in cooperation with the Department of Public Safety for the construction or installation of pedestrian barriers and safety-enhancing improvements to the Rio Grande Gorge Bridge on US Highway 64 in Taos County.

FISCAL IMPLICATIONS

The State Highway and Transportation Department estimates the cost of the feasibility study to be approximately \$50.0. They estimate that installation or construction of the barriers will be \$200.0 to \$400.0.
