SUMMARY

Synopsis of Bill

Senate Public Affairs substitute for Senate Bill 284 directs TRD's motor vehicle division (MVD) to establish and issue special license plates with a logo promoting awareness about the urgent need for organ and tissue donation in New Mexico. MVD shall determine the design of the logo in consultation with New Mexico donor services and other organizations with the purpose of promoting organ and tissue donation and education. There will be a one-time fee of \$10 for this special plate, in addition to the regular motor vehicle registration fees.

Significant Issues

MVD will retain the revenues from the one-time fee and those revenues will be appropriated to MVD for manufacture and issuance of the special plates. It is not clear if the ten dollar fee will generate adequate revenue to cover manufacturing and issuing costs.
