

Fiscal impact reports (FIRs) are prepared by the Legislative Finance Committee (LFC) for standing finance committees of the NM Legislature. The LFC does not assume responsibility for the accuracy of these reports if they are used for other purposes.

Current FIRs (in HTML & Adobe PDF formats) are available on the NM Legislative Website ([legis.state.nm.us](http://legis.state.nm.us)). Adobe PDF versions include all attachments, whereas HTML versions may not. Previously issued FIRs and attachments may be obtained from the LFC in Suite 101 of the State Capitol Building North.

### SUMMARY

#### Synopsis of Bill

House Bill 243 appropriates \$120,000 from the general fund to the Board of Regents of the University of New Mexico to support the Sustainability Resource Center.

### FISCAL IMPLICATIONS

The appropriation of \$120,000 contained in this bill is a recurring expense to the general fund. Any unexpended or unencumbered balance remaining at the end of fiscal year 2007 shall revert to the general fund.

According to the Higher Education Department, the appropriation contained in HB243 would be used as follows:

Executive Director:	1.0 FTE	\$90,000
Operating expenses		\$30,000
		\$120,000

### **SIGNIFICANT ISSUES**

This request does not appear on the University of New Mexico's institutional request for FY07 and is not included in the New Mexico Higher Education Department's recommendations.

According to the Energy, Minerals and Natural Resources Department, the University of New Mexico's goals for the resource center are to provide an outreach arm of the Sustainability Studies Program. This will provide UNM students the opportunity to apply their learning about sustainable practices, better preparing them for this important new and integrated approach to business across a spectrum of disciplines including energy technologies, architecture and construction, and transportation and water use.

### **RELATIONSHIP**

This bill relates to House Bill 244, which appropriates \$243,000 to the Board of Regents of the University of New Mexico to support the Sustainability Studies Program.

House Capital Outlay Request 73 is a companion bill, requesting \$35,000 for equipment to demonstrate the production and uses of biodiesel fuels.
