

Fiscal impact reports (FIRs) are prepared by the Legislative Finance Committee (LFC) for standing finance committees of the NM Legislature. The LFC does not assume responsibility for the accuracy of these reports if they are used for other purposes.

Current FIRs (in HTML & Adobe PDF formats) are available on the NM Legislative Website (legis.state.nm.us). Adobe PDF versions include all attachments, whereas HTML versions may not. Previously issued FIRs and attachments may be obtained from the LFC in Suite 101 of the State Capitol Building North.

SUMMARY

Synopsis of Bill

Senate Bill 77 appropriates \$1,200,000 from the General Fund to support ENLACE programs in FY 2007 and FY 2008 at these selected institutions:

1. University of New Mexico \$400,000
2. New Mexico State University \$400,000
3. Santa Fe Community College \$400,000

The bill restricts administrative costs to five percent of any appropriation.

The bill has an emergency clause.

FISCAL IMPLICATIONS

The appropriation of \$1,200,000 contained in this bill is a recurring expense to the General Fund. Any unexpended or unencumbered balance remaining at the end of FY 2008 shall revert to the General Fund.

The appropriations contained in this bill are intended to help sustain the three New Mexico

ENLACE partnerships established through W.K. Kellogg Foundation grants as briefly described below.

SIGNIFICANT ISSUES

ENLACE is a multi-year initiative to strengthen the educational pipeline and increase opportunities for Latinos to enter and complete college. ENLACE consists of 13 partnerships in 7 states that are working to increase the number of Latino graduates from high school and college. In Spanish, "enlace" means link or weave together in such a way that the new entity is stronger than its parts. ENLACE partnerships include universities, community colleges, K-12 schools, community-based organizations, students, and parents.

ENLACE has evolved in three phases. In Phase 1, 18 higher education institutions in a number of states received one-year planning grants of \$100,000 each to respond to the needs of students and families by developing action plans based on best practices as well as local contexts. For Phase II, 13 partnerships in seven states received grants ranging from \$1.4 to \$2.0 million to implement their plans over four years. Implementation funds ended with the 2004-05 school year. A final phase will seek to sustain promising practices and ENLACE principles for the benefit of more Latino communities and underserved student populations.

This request was not on the list of priority projects submitted by the University of New Mexico, New Mexico State University, or the Santa Fe Community College to the HED for review and was not included in the Department's funding recommendation for FY08.

POSSIBLE QUESTIONS

1. Will the Phase III of ENLACE be funded entirely by the state?
