SENATE MEMORIAL 76

49TH LEGISLATURE - STATE OF NEW MEXICO - FIRST SESSION, 2009

INTRODUCED BY

Pete Campos

A MEMORIAL

ENCOURAGING NEW MEXICO COMMUNITIES TO PLAN AND DESIGN ENERGY-EFFICIENT PUBLIC BUILDINGS.

WHEREAS, buildings that are constructed using taxpayer funds constitute a significant investment of capital outlay; and

WHEREAS, expenditures for the operation and maintenance of public buildings over their lifetime far exceed the initial capital expenditure; and

WHEREAS, many energy-efficient measures can be incorporated into building designs and implemented with little or no additional cost; and

WHEREAS, within the next twenty-one years, an estimated seventy-five percent of buildings will have been built or will have undergone major renovations; and
