HOUSE BILL 27

49TH LEGISLATURE - STATE OF NEW MEXICO - SECOND SESSION, 2010

INTRODUCED BY

Brian F. Egolf

AN ACT

RELATING TO THE ENVIRONMENT; AMENDING, REPEALING AND ENACTING
SECTIONS OF THE NATURAL RESOURCES TRUSTEE ACT; PROVIDING FOR
ACTIONS TO RECOVER DAMAGES FOR INJURY TO NATURAL RESOURCES;
PROVIDING FOR THE PROMULGATION OF RULES; PROVIDING LIMITATIONS.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF NEW MEXICO:

Section 1. A new section of the Natural Resources Trustee
Act is enacted to read:

"[NEW MATERIAL] LEGISLATIVE FINDINGS.--The legislature
finds that:

A. the natural resources of the state of New Mexico
are assets of the state held in trust by the state for the
benefit of the public;

B. the protection and the preservation of these
natural resources promote the well-being of the people of this

.179355.1GR

underscoring material = new
[bracketed material] = delete

underscored material = new
[bracketed material] = delete

1 state in the present and the future;

2 C. the release of injurious substances into the
3 environment of this state constitutes a threat to the natural
4 resources and the well-being of the people of this state; and

5 D. the state should recover damages for injury to
6 natural resources, regardless of whether such natural resources
7 have been or may be used or committed to use at any time and
8 regardless of whether the natural resources are at present
9 capable of being used."

10 Section 2. A new section of the Natural Resources Trustee
11 Act is enacted to read:

12 "[NEW MATERIAL] DEFINITIONS.--As used in the Natural
13 Resources Trustee Act:

14 A. "facility" means:

15 (1) any buildings, structure, installation,
16 equipment, pipe or pipeline, including any pipe into a sewer or
17 publicily owned treatment works, well, pit, pond, lagoon,
18 impoundment, ditch, landfill, storage container, motor vehicle,
19 rolling stock or aircraft; or

20 (2) any site or area where an injurious
21 substance has been deposited, stored, disposed of, placed or
22 otherwise come to be located;

23 B. "natural resources" includes land; minerals;
24 soils; sediments; geologic resources; air; surface waters;
25 ground waters; drinking water supplies; aquifers; perennial,

.179355.1GR

underscored material = new
[bracketed material] = delete

1 seasonal and ephemeral drainages; arroyos; watersheds; biota;
2 fish; wildlife; supporting habitats; and vegetation; and

3 C. "restoration" means those actions necessary to
4 return an injured natural resource to its baseline condition as
5 measured in terms of the injured natural resource's physical,
6 chemical or biological properties and the services it
7 previously provided."

8 Section 3. A new section of the Natural Resources Trustee
9 Act is enacted to read:

10 "[NEW MATERIAL] LIABILITY FOR DAMAGES.--

11 A. Except as provided in Subsection E of this
12 section, with respect to any facility from which there is an
13 intentional or unintentional release of an injurious substance
14 into the environment, including a release within the facility,
15 the following persons shall be jointly and severally liable to
16 the state for all damages resulting from the release:

17 (1) the owner or operator of the facility at
18 the time of the release;

19 (2) any person who previously owned or
20 operated the facility during a time in which the injurious
21 substance was released, placed, disposed of or treated;

22 (3) any person who by agreement or otherwise
23 arranged for release, placement, disposal or treatment of the
24 injurious substance at the facility or arranged with a
25 transporter for transport of the injurious substance to or from

.179355.1GR

underscored material = new
[bracketed material] = delete

1 the facility whether or not the injurious substance was owned
2 or possessed by the person; and

3 (4) any person who accepted the injurious
4 substance for transport to a disposal or treatment facility or
5 site selected by that person.

6 B. Damages owed to the state under this section
7 include:

8 (1) damages for injury to natural resources,
9 including the destruction or loss of natural resources;

10 (2) interim losses incurred after the release
11 and before the completion of restoration;

12 (3) residual losses remaining after completion
13 of restoration of the natural resources; and

14 (4) the reasonable costs of assessing the
15 injury resulting from the release.

16 C. Damages owed to the state under this section may
17 be recovered regardless of prospective or ongoing remediation
18 efforts.

19 D. The amount of damages may be established by any
20 methodology that demonstrates:

21 (1) the cost of restoration or rehabilitation
22 of the injured natural resources to a condition where they can
23 provide the level of services and resource value available
24 before the release of the injurious substance;

25 (2) the cost of replacement or acquisition of

.179355.1GR

underscored material = new
[bracketed material] = delete

1 equivalent natural resources capable of providing such services
2 and resource value;

3 (3) the value of the services and resources
4 lost to the public from the time of the release through the
5 completion of the restoration, rehabilitation, replacement or
6 acquisition of equivalent natural resources; and

7 (4) the cost of investigating, assessing and
8 collecting damages and enforcing the state's rights.

9 E. There shall be no liability under this section
10 for a release of an injurious substance if the release is in
11 compliance with a license or permit duly issued by the state or
12 the federal government and in effect at the time of the
13 release."

14 Section 4. A new section of the Natural Resources Trustee
15 Act is enacted to read:

16 "[NEW MATERIAL] ACTION FOR DAMAGES--VENUE.--

17 A. The natural resources trustee, as plaintiff, may
18 bring a suit on behalf of the state against any person who is
19 liable, under the provisions of the Natural Resources Trustee
20 Act, for damages caused by a release of an injurious substance;
21 provided that, before initiating suit, the natural resources
22 trustee shall make reasonable efforts to conduct a cooperative
23 assessment of the nature and extent of the damages and of
24 methods to achieve resolution of the natural resources
25 trustee's claim in cooperation with the responsible party and,

.179355.1GR

underscored material = new
[bracketed material] = delete

1 upon initiating suit, shall certify that, in the natural
2 resources trustee's judgment, the efforts have not succeeded in
3 resolving the claim.

4 B. Venue shall be in the district court for Santa
5 Fe county or in the district court for the county in which
6 damages were sustained."

7 Section 5. A new section of the Natural Resources Trustee
8 Act is enacted to read:

9 "[NEW MATERIAL] DOUBLE RECOVERY PROHIBITED.--There shall
10 be no double recovery under the Natural Resources Trustee Act
11 for damages to the same natural resources, including the costs
12 of damage assessment or restoration, rehabilitation or
13 acquisition, caused by the same release of injurious
14 substances."

15 Section 6. A new section of the Natural Resources Trustee
16 Act is enacted to read:

17 "[NEW MATERIAL] LIMITATION ON ACTIONS.--No claim may be
18 made under the Natural Resources Trustee Act for recovery of
19 damages unless the claim is made before the later of the
20 following:

21 A. five years after the date that the natural
22 resources trustee became aware of the nature and extent of the
23 release and the extent of injuries caused by the release; or

24 B. January 1, 2015."

25 Section 7. A new section of the Natural Resources Trustee

.179355.1GR

underscored material = new
[bracketed material] = delete

1 Act is enacted to read:

2 "[NEW MATERIAL] PROMULGATION OF RULES.--

3 A. The natural resources trustee may adopt rules
4 consistent with the Natural Resources Trustee Act as necessary
5 to protect the natural resources of the state, including rules:

6 (1) defining and describing injurious
7 substances;

8 (2) defining and describing the manner of
9 proof of injury, damages and assessment costs; and

10 (3) prescribing procedures for assessing and
11 establishing claims.

12 B. No rule shall be adopted until after a public
13 hearing by the natural resources trustee or the trustee's
14 designee. Notice of the hearing shall be given at least sixty
15 days prior to the hearing date and shall state the subject, the
16 time and the place of the hearing and the manner in which
17 interested persons may present their views. The proposed
18 language amending any existing rule or any proposed new rule
19 shall be made available to the public as of the date that the
20 notice of the hearing is given. The notice shall also state
21 where interested persons may secure copies of any proposed
22 amendment or new rule. The notice shall be published in a
23 newspaper of general circulation in the area affected.

24 Reasonable effort shall be made to give notice to all persons
25 who have made a written request for advance notice of hearings.

.179355.1GR

underscored material = new
[bracketed material] = delete

1 C. At the hearing, the natural resources trustee or
2 the trustee's designee shall allow all interested persons
3 reasonable opportunity to submit data, proposed changes to the
4 proposed rule, views or arguments orally or in writing and to
5 examine witnesses testifying at the hearing. Any person heard
6 or represented at the hearing shall be given written notice of
7 the action on the rule.

8 D. No rule or amendment or repeal thereof shall
9 become effective until thirty days after its filing under the
10 State Rules Act.

11 E. Any person who is or may be affected by a rule
12 adopted pursuant to this section may appeal to the district
13 court for Santa Fe county for further relief. All appeals
14 shall be upon the transcript made at the hearing and shall be
15 taken to the district court within thirty days after filing of
16 the rule under the State Rules Act. Upon appeal, the district
17 court shall set aside the rule only if it is found to be:

18 (1) arbitrary, capricious or an abuse of
19 discretion; or

20 (2) otherwise not in accordance with law."

21 Section 8. Section 75-7-2 NMSA 1978 (being Laws 1993,
22 Chapter 292, Section 2, as amended) is amended to read:

23 "75-7-2. NATURAL RESOURCES TRUSTEE--OFFICE OF NATURAL
24 RESOURCES TRUSTEE.--

25 A. The "natural resources trustee" is created. The

.179355.1GR

underscored material = new
[bracketed material] = delete

1 trustee is appointed by and serves at the pleasure of the
2 governor pursuant to the provisions of the federal
3 Comprehensive Environmental Response, Compensation, and
4 Liability Act of 1980, as amended by the federal Superfund
5 Amendments and Reauthorization Act of 1986, the Federal Water
6 Pollution Control Act and any other applicable federal law and
7 the provisions of the Natural Resources Trustee Act. The
8 natural resources trustee shall act on behalf of the public as
9 trustee of natural resources within the state or belonging to,
10 managed by, controlled by or appertaining to the state,
11 including protecting and representing the state's interest
12 under applicable federal laws regarding injury to, destruction
13 of or loss of natural resources in the state.

14 B. The "office of natural resources trustee" is
15 created. The office shall be administratively attached to the
16 department of environment. The administrative head of the
17 office of natural resources trustee is the natural resources
18 trustee. For purposes of this subsection, the term
19 "administratively attached" means the same as specified in
20 Section 9-1-7 NMSA 1978."

21 Section 9. Section 75-7-3 NMSA 1978 (being Laws 1993,
22 Chapter 292, Section 3, as amended) is amended to read:

23 "75-7-3. NATURAL RESOURCES TRUSTEE POWERS AND DUTIES.--

24 A. The natural resources trustee shall take all
25 actions necessary to carry out the responsibilities of the

.179355.1GR

underscored material = new
[bracketed material] = delete

1 natural resources trustee as provided in the federal
2 Comprehensive Environmental Response, Compensation, and
3 Liability Act of 1980, as amended by the Superfund Amendments
4 and Reauthorization Act of 1986, the Federal Water Pollution
5 Control Act and any other applicable federal law and the
6 provisions of the Natural Resources Trustee Act, including the
7 responsibility to:

8 (1) act on behalf of the public to protect New
9 Mexico's natural resources by recovering damages for injury to,
10 destruction of or loss of those resources;

11 (2) investigate injury to, destruction of or
12 loss of natural resources;

13 (3) determine the amount and cause of injury
14 to, destruction of or loss of natural resources;

15 (4) determine the liability of any person for
16 injury to, destruction of or loss of natural resources;

17 (5) assess and collect damages for injury to,
18 destruction of or loss of natural resources, including bringing
19 legal actions and collecting the costs of assessing and
20 collecting the damages; and

21 (6) expend money for the purposes set forth in
22 the Natural Resources Trustee Act.

23 B. The natural resources trustee may:

24 (1) hire staff, in accordance with the
25 Personnel Act, to carry out the provisions of the Natural

.179355.1GR

underscored material = new
[bracketed material] = delete

1 Resources Trustee Act;

2 (2) contract with economists, consultants and
3 other experts; and

4 (3) accept gifts and grants to carry out the
5 provisions of the Natural Resources Trustee Act. Gifts and
6 grants accepted by the natural resources trustee shall be
7 deposited in the natural resources trustee fund.

8 C. The natural resources trustee may designate by
9 rule the following as injurious substances:

10 (1) a substance that is an air contaminant
11 pursuant to the Air Quality Control Act;

12 (2) a substance identified or listed as a
13 hazardous waste in the Hazardous Waste Act;

14 (3) a constituent listed by the federal
15 environmental protection agency as a hazardous waste in 40
16 C.F.R., Part 261, Subpart D;

17 (4) a hazardous constituent listed by the
18 federal environmental protection agency in 40 C.F.R., Part 261,
19 Appendix VIII;

20 (5) a solid waste exceeding the toxicity
21 characteristics listed by the federal environmental protection
22 agency in Table 1 of 40 C.F.R. 261.24;

23 (6) a substance listed by the federal
24 environmental protection agency in 40 C.F.R., Part 264,
25 Appendix IX;

.179355.1GR

underscoring material = new
[bracketed material] = delete

1 (7) a substance meeting the definition of
2 hazardous chemical in the Hazardous Chemicals Information Act;

3 (8) a substance that is a water contaminant
4 pursuant to the Water Quality Act;

5 (9) a substance that is a regulated substance
6 pursuant to the Ground Water Protection Act;

7 (10) oil of any kind or in any form, including
8 petroleum, fuel oil, sludge, oil refuse and oil mixed with
9 wastes;

10 (11) a solid waste or combination of solid
11 wastes that because of its quantity, concentration or physical,
12 chemical or infectious characteristics may:

13 (a) cause, or significantly contribute
14 to, an increase in mortality or an increase in serious
15 irreversible, or incapacitating reversible, illness; or

16 (b) pose a substantial present or
17 potential hazard to human health or the environment when
18 improperly treated, stored, transported, disposed of or
19 otherwise managed; or

20 (12) any other substance that the natural
21 resources trustee may by rule designate as an injurious
22 substance based upon its toxicity, persistence and
23 degradability in nature; potential for accumulation in tissue;
24 and other related factors such as flammability, corrosiveness
25 and other hazardous characteristics.

.179355.1GR

underscored material = new
[bracketed material] = delete

1 [~~G-~~] D. The attorney general shall provide legal
2 counsel and representation to the natural resources trustee and
3 the office of the natural resources trustee."

4 Section 10. Section 75-7-5 NMSA 1978 (being Laws 1993,
5 Chapter 292, Section 5, as amended) is amended to read:

6 "75-7-5. NATURAL RESOURCES TRUSTEE FUND.--

7 A. The "natural resources trustee fund" is created
8 in the state treasury. Money appropriated to the fund or
9 accruing to it through gifts, grants, fees, penalties, bequests
10 or any other source shall be delivered to the state treasurer
11 and deposited in the fund. Money recovered for the state by or
12 on behalf of the natural resources trustee shall be deposited
13 in the natural resources trustee fund. The fund shall be
14 administered by the natural resources trustee as a separate
15 account and may consist of subaccounts that the natural
16 resources trustee deems necessary to carry out the purposes of
17 the fund. Disbursements from the fund shall be made upon
18 warrants drawn by the secretary of finance and administration
19 pursuant to vouchers signed by the natural resources trustee or
20 the trustee's designated representative. Money in the fund
21 shall not revert to the general fund at the end of a fiscal
22 year.

23 B. Pursuant to the following criteria, money in the
24 natural resources trustee fund shall be used to carry out the
25 provisions of the Natural Resources Trustee Act by restoring,

.179355.1GR

underscored material = new
[bracketed material] = delete

1 replacing or acquiring natural resources [~~in an area where~~
2 ~~natural resources have been injured, destroyed or lost,~~
3 ~~provided that money deposited in the fund because of injury to,~~
4 ~~destruction of or loss of natural resources in an area shall be~~
5 ~~disbursed to restore, replace or acquire natural resources in~~
6 ~~that same area~~]:

7 (1) if an expenditure from the fund is
8 necessary to comply with a court order or court-approved
9 settlement or to match federal funds, then, pursuant to
10 Sections 6-3-23 through 6-3-25 NMSA 1978, the natural resources
11 trustee may request a budget increase and, if approved, the
12 amount of the expenditure is appropriated;

13 (2) if money is received for reimbursement of
14 assessment costs, then the natural resources trustee may expend
15 money for injury assessment, and money is appropriated in that
16 amount for that purpose; [~~and~~]

17 (3) any other expenditures from the fund shall
18 be made only pursuant to appropriation by the legislature; and

19 (4) money deposited in the fund because of
20 injury to, destruction of or loss of natural resources in an
21 area shall be expended to restore, replace or acquire natural
22 resources in that same area, provided that the natural
23 resources trustee may undertake a restoration action outside
24 the area where the natural resources were injured, destroyed or
25 lost if, in the natural resources trustee's judgment, action

.179355.1GR

underscored material = new
[bracketed material] = delete

1 within the area would be infeasible or ineffective.

2 C. In addition to expenditures made pursuant to
3 Subsection B of this section, money shall be appropriated
4 annually by the legislature from the general fund for the
5 purpose of providing for necessary personnel and other costs of
6 the natural resources trustee, the attorney general and the
7 office of natural resources trustee in carrying out the
8 provisions of the Natural Resources Trustee Act, including the
9 cost of investigation, assessment, collection or enforcement.

10 D. For purposes of this section, "assessment
11 costs" means the costs of restoration and the costs of
12 collecting, compiling and analyzing information, statistics or
13 data to determine damages for injuries to natural resources
14 pursuant to the Natural Resources Trustee Act.

15 E. Money in the natural resources trustee fund
16 shall be invested as other state funds are invested, and
17 interest and earnings from the fund shall not revert to the
18 general fund but shall be credited to the natural resources
19 trustee fund."

20 Section 11. REPEAL.--Section 75-7-4 NMSA 1978 (being
21 Laws 1993, Chapter 292, Section 4) is repealed.

22 Section 12. EFFECTIVE DATE.--The effective date of the
23 provisions of this act is July 1, 2010.
