HOUSE BILL 453

50TH LEGISLATURE - STATE OF NEW MEXICO - FIRST SESSION, 2011

INTRODUCED BY

Ben Lujan

AN ACT

RELATING TO CHILD SUPPORT; REQUIRING TWENTY PERCENT OF A BASIC CHILD SUPPORT OBLIGATION TO BE SET ASIDE FOR THE CHILD'S FUTURE.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF NEW MEXICO:

SECTION 1. Section 40-4-11.1 NMSA 1978 (being Laws 1988, Chapter 87, Section 2, as amended) is amended to read:

"40-4-11.1. CHILD SUPPORT--GUIDELINES.--

A. In any action to establish or modify child support, the child support guidelines as set forth in this section shall be applied to determine the child support due and shall be a rebuttable presumption for the amount of such child support. Every decree or judgment of child support that deviates from the guideline amount shall contain a statement of the reasons for the deviation.

1 B. The purposes of the child support guidelines are
2 to:

3 (1) establish as state policy an adequate
4 standard of support for children, subject to the ability of
5 parents to pay;

6 (2) make awards more equitable by ensuring
7 more consistent treatment of persons in similar circumstances;
8 and

9 (3) improve the efficiency of the court
10 process by promoting settlements and giving courts and the
11 parties guidance in establishing levels of awards.

12 C. For purposes of the guidelines specified in this
13 section:

14 (1) "income" means actual gross income of a
15 parent if employed to full capacity or potential income if
16 unemployed or underemployed. Income need not be imputed to the
17 primary custodial parent actively caring for a child of the
18 parties who is under the age of six or disabled. If income is
19 imputed, a reasonable child care expense may be imputed. The
20 gross income of a parent means only the income and earnings of
21 that parent and not the income of subsequent spouses,
22 notwithstanding the community nature of both incomes after
23 remarriage; and

24 (2) "gross income" includes income from any
25 source and includes but is not limited to income from salaries,

.183670.1

1 wages, tips, commissions, bonuses, dividends, severance pay,
2 pensions, interest, trust income, annuities, capital gains,
3 social security benefits, workers' compensation benefits,
4 unemployment insurance benefits, disability insurance benefits,
5 significant in-kind benefits that reduce personal living
6 expenses, prizes and alimony or maintenance received, provided:

7 (a) "gross income" shall not include
8 benefits received from means-tested public assistance programs
9 or child support received by a parent for the support of other
10 children;

11 (b) for income from self-employment,
12 rent, royalties, proprietorship of a business or joint
13 ownership of a partnership or closely held corporation, "gross
14 income" means gross receipts minus ordinary and necessary
15 expenses required to produce such income, but ordinary and
16 necessary expenses do not include expenses determined by the
17 court to be inappropriate for purposes of calculating child
18 support;

19 (c) "gross income" shall not include the
20 amount of alimony payments actually paid in compliance with a
21 court order;

22 (d) "gross income" shall not include the
23 amount of child support actually paid by a parent in compliance
24 with a court order for the support of prior children; and

25 (e) "gross income" shall not include a

.183670.1

1 reasonable amount for a parent's obligation to support prior
2 children who are in that parent's custody. A duty to support
3 subsequent children is not ordinarily a basis for reducing
4 support owed to children of the parties but may be a defense to
5 a child support increase for the children of the parties. In
6 raising such a defense, a party may use Table A as set forth in
7 Subsection [K] L of this section to calculate the support for
8 the subsequent children.

9 D. As used in this section:

10 (1) "children of the parties" means the
11 natural or adopted child or children of the parties to the
12 action before the court but shall not include the natural or
13 adopted child or children of only one of the parties;

14 (2) "basic visitation" means a custody
15 arrangement whereby one parent has physical custody and the
16 other parent has visitation with the children of the parties
17 less than thirty-five percent of the time. Such arrangements
18 can exist where the parties share responsibilities pursuant to
19 Section 40-4-9.1 NMSA 1978; and

20 (3) "shared responsibility" means a custody
21 arrangement whereby each parent provides a suitable home for
22 the children of the parties, when the children of the parties
23 spend at least thirty-five percent of the year in each home and
24 the parents significantly share the duties, responsibilities
25 and expenses of parenting.

1 E. The basic child support obligation shall be
2 calculated based on the combined income of both parents and
3 shall be paid by them proportionately pursuant to Subsection
4 ~~[K]~~ L of this section.

5 F. Physical custody adjustments shall be made as
6 follows:

7 (1) for basic visitation situations, the basic
8 child support obligation shall be calculated using the basic
9 child support schedule, Worksheet A and instructions contained
10 in Subsection ~~[K]~~ L of this section. The court may provide for
11 a partial abatement of child support for visitations of one
12 month or longer; and

13 (2) for shared responsibility arrangements,
14 the basic child support obligation shall be calculated using
15 the basic child support schedule, Worksheet B and instructions
16 contained in Subsection ~~[K]~~ L of this section.

17 G. In shared responsibility situations, each parent
18 retains the percentage of the basic support obligation equal to
19 the number of twenty-four-hour days of responsibility spent by
20 each child with each respective parent divided by three hundred
21 sixty-five.

22 H. The cost of providing medical and dental
23 insurance for the children of the parties and the net
24 reasonable child care costs incurred on behalf of these
25 children due to employment or job search of either parent shall

underscored material = new
[bracketed material] = delete

1 be paid by each parent in proportion to that parent's income,
2 in addition to the basic obligation.

3 I. The child support may also include the payment
4 of the following expenses not covered by the basic child
5 support obligation:

6 (1) any extraordinary medical, dental and
7 counseling expenses incurred on behalf of the children of the
8 parties. Such extraordinary expenses are uninsured expenses in
9 excess of one hundred dollars (\$100) per child per year;

10 (2) any extraordinary educational expenses for
11 children of the parties; and

12 (3) transportation and communication expenses
13 necessary for long distance visitation or time sharing.

14 J. Twenty percent of the basic child support
15 obligation shall be deposited in a trust account, or other
16 account as determined by the court in its discretion, with the
17 child as beneficiary, and be available to the child upon
18 termination of each parent's child support obligation.

19 [~~J.~~] K. Whenever application of the child support
20 guidelines set forth in this section requires a person to pay
21 to another person more than forty percent of the paying
22 person's gross income for a single child support obligation for
23 current support, there shall be a presumption of a substantial
24 hardship, justifying a deviation from the guidelines.

INSTRUCTIONS FOR WORKSHEET A

Line 1. Gross monthly income:

Includes all income, except TANF, food stamps and supplemental security income. If a parent pays child support by court order to other children, subtract from gross income. Use current income if steady. If income varies a lot from month to month, use an average of the last twelve months, if available, or last year's income tax return. Add both parents' gross incomes and put total under the combined column.

Line 2. Percentage of Combined Income:

Divide each parent's income by combined income to get that

.183670.1

1 parent's percentage of combined income.

2 Lines 3 and 4. Basic Support:

3 Fill in number of children on worksheet (Line 3). Round
4 combined income to nearest fifty dollars (\$50.00). Look at the
5 basic child support schedule. In the far left-hand column of
6 the basic child support schedule, find the rounded combined
7 income figure. Read across to the column with the correct
8 number of children. Enter that amount on Line 4.

9 Line 5. Children's Health and Dental Insurance Premium:

10 Enter the cost paid by a parent for covering these children
11 with medical and dental insurance under that parent's column on
12 Line 5. Add costs paid by each parent and enter under the
13 combined column on Line 5.

14 Line 6. Work-Related Child Care:

15 Enter the cost paid by each parent for work-related child care.
16 If the cost varies (for example, between school year and
17 summer), take the total yearly cost and divide by twelve.
18 Enter each parent's figure in that parent's column on Line 6.
19 Add the cost for both parents and enter in the combined column
20 on Line 6.

21 Line 7. Additional Expenses:

22 Enter the amounts paid by each parent for additional expenses
23 provided by Subsection I of this section on Line 7. Add the
24 cost for both parents and enter in the combined column on Line
25 7.

.183670.1

1 Line 8. Total Support:
2 Total the basic support amount from Line 4 in the combined
3 column with the combined column on Lines 5, 6 and 7 and enter
4 the totals in combined column on Line 8.

5 Line 9. Each Parent's Obligation:
6 Multiply the total child support amount on Line 8 by each
7 parent's percentage share on Line 2, and enter each parent's
8 dollar share under that parent's column on Line 9.

9 Line 10. Total Support:
10 Enter the total amount shown for each parent on Line 8 beside
11 the "minus" marks on Line 10.

12 Line 11. Each Parent's Net Obligation:
13 For each parent, subtract the amount on Line 10 from the amount
14 on Line 9. Enter the difference for each parent in that
15 parent's column on Line 11. The amount in the box "other
16 parent" is what that parent pays to the custodial parent each
17 month. Do not subtract the amount on the custodial parent's
18 Line 11 from the amount in the other parent's box. The
19 custodial parent is presumed to use the amount in that parent's
20 column on Line 11 for the children.

20 Line 7. Each Parent's Time of Care for Children:

21 Enter the number of twenty-four-hour days of responsibility

24 Line 8. Percentage of Twenty-Four-Hour Days With Each

.183670.1

underscored material = new
[bracketed material] = delete

1 Divide each parent's number of twenty-four-hour days (Line 7)
2 by three hundred sixty-five to obtain a percentage.

3 Line 9. Amount Retained:

4 Under shared responsibility arrangements, each parent retains
5 the percentage of the basic support obligation equal to the
6 number of twenty-four-hour days of responsibility spent by each
7 child with each respective parent divided by three hundred
8 sixty-five. Multiply each parent's share of basic support
9 (Line 6) by the percentage in that parent's Line 8 and enter
10 the result on that parent's Line 9. This is the amount that
11 each parent retains to pay the children's expenses during that
12 parent's periods of responsibility.

13 Line 10. Each Parent's Basic Obligation:

14 Subtract the amount retained by each parent for direct expenses
15 (Line 9) from that parent's share (Line 6) and enter the
16 difference on that parent's Line 10.

17 Line 11. Amount Transferred for Basic Support:

18 In shared responsibility situations, both parents are entitled
19 not only to retain money for direct expenses but also to
20 receive contributions from the other parent toward those
21 expenses. Therefore, subtract the smaller amount on Line 10
22 from the larger amount on Line 10 to arrive at a net amount
23 transferred for basic support.

7 If the cost varies (for example, between school year and
8 summer), take the total yearly cost and divide by twelve.
9 Enter each parent's figure in that parent's column on Line 13.
10 Add the cost for both parents and enter in combined column on
11 Line 13.

12 Line 14. Additional Expenses:

14 provided by Subsection I of this section on Line 14.

15 Line 15. Total Additional Payments:

16 For each parent, total the amount paid by that parent for
17 insurance, child care and additional expenses (Lines 12, 13 and
18 14). Enter the total in that parent's column on Line 15 and
19 the total of both parents' expenses under the combined column
20 on Line 15.

21 Line 16. Each Parent's Obligation:

22 Multiply the total additional payments (combined column on Line
23 15) by each parent's percentage share of income on Line 2, and
24 enter each parent's dollar share of the additional payments on
25 that parent's Line 16.

1 Line 17. Amount Transferred:

2 Subtract each parent's obligation for additional expenses
3 (that parent's Line 16) from the total additional payments made
4 by that parent (that parent's Line 15). The parent with a
5 "minus" figure pays the other parent the amount on Line 17.

6 Part 3 - Net Amount Transferred:

7 Line 18. Combine Lines 11 and 17:

8 Combine the amount owed by one parent to the other for basic
9 support (Line 11) and the amount owed by one parent to the
10 other for additional payments (Line 17). If the same parent
11 owes for both obligations, add Lines 11 and 17, and enter the
12 total on Line 18. If one parent owes for basic support and the
13 other owes for additional payments, subtract the smaller amount
14 from the larger and enter on Line 18. Fill in the blanks by
15 stating which parent pays and which parent receives the net
16 amount transferred."
