### SUMMARY

#### Synopsis of Bill

House Bill 140 eliminates the requirement that a concealed carry licensee must attend a refresher course at the midpoint of a four year license.

### FISCAL IMPLICATIONS

DPS will not have to collect certificates for the 2 year refresher course.

### SIGNIFICANT ISSUES

The refresher course includes classroom and live fire range training.

DPS notes that eliminating the 2-year refresher requirement allows a licensee to decide if he will practice or maintain proficiency with the firearms listed on his license throughout the period of licensure. A licensee will now only have to shoot every four years instead of every 2 years.

**RELATIONSHIP**

HB 140 relates to the same section of law as SB 29, although SB 29 proposes other changes in addition to the provisions of HB 140.
