### SUMMARY

#### Synopsis of Bill

House Bill 394 would amend the Bingo and Raffle Act to permit fraternities, sororities and student organizations to conduct games of chance, either as licensed organizations or exempt organizations.

### FISCAL IMPLICATIONS

House Bill 394 does not contain an appropriation. According to GCB, there may be a minimal increase in license fees and tax revenue generated as a result of an increase in the number of organizations eligible to conduct games of chance.
