### SUMMARY

#### Synopsis of Bill

Senate Judiciary Substitute for Senate Bill 92 amends Section 66-3-419 of the Motor Vehicle Code to provide an armed forces special registration plate with a blank space where a veteran-designation personal award decal may be placed. The bill allows the department to approve the armed services blank space registration plate design.

The bill amends current statute to eliminate several veteran-designated decals. The eliminated veteran-designated decals already have their own unique registration plates.

### SIGNIFICANT ISSUES

The bill allows for a redesign of a registration plate that is currently authorized.
