### SUMMARY

#### Synopsis of Bill

House Memorial 63 proclaims February 21, 2013 “Civil Air Patrol Day” in the House of Representatives. A copy of the memorial would be transmitted to the New Mexico wing of the Civil Air Patrol.

### SIGNIFICANT ISSUES

The bill points out that the Civil Air Patrol played an integral role in the defense of the United States during World War II, and since then has emerged to become one of the nation’s premier humanitarian service organizations.

The bill also notes that the New Mexico wing of the Civil Air Patrol now includes nearly one thousand members in units throughout New Mexico who serve the state and local communities with valuable volunteer services.

The Civil Air Patrol and its New Mexico wing are celebrating 70 years of performing “missions for America”.
