AN ACT
RELATING TO PUBLIC EDUCATION; PROVIDING SCHOOL
DISTRICT-DETERMINED WAYS FOR STUDENTS TO MEET THE PHYSICAL
EDUCATION UNIT REQUIREMENT FOR GRADUATION; LIMITING CHANGES
TO GRADUATION REQUIREMENTS AFTER STUDENTS ENTER NINTH GRADE;
DECLARING AN EMERGENCY.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF NEW MEXICO:

SECTION 1. Section 22-13-1.1 NMSA 1978 (being Laws
1986, Chapter 33, Section 5, as amended by Laws 2010,
Chapter 25, Section 1 and by Laws 2010, Chapter 110,
Section 1) is amended to read:

"22-13-1.1. GRADUATION REQUIREMENTS.--

A. At the end of grades eight through eleven, each
student shall prepare an interim next-step plan that sets
forth the coursework for the grades remaining until high
school graduation. Each year's plan shall explain any
differences from previous interim next-step plans, shall be
filed with the principal of the student's high school and
shall be signed by the student, the student's parent and the
student's guidance counselor or other school official charged
with coursework planning for the student.

B. Each student must complete a final next-step
plan during the senior year and prior to graduation. The
plan shall be filed with the principal of the student's high

1 school and shall be signed by the student, the student's
2 parent and the student's guidance counselor or other school
3 official charged with coursework planning for the student.

4 C. An individualized education program that meets
5 the requirements of Subsections A and B of this section and
6 that meets all applicable transition and procedural
7 requirements of the federal Individuals with Disabilities
8 Education Act for a student with a disability shall satisfy
9 the next-step plan requirements of this section for that
10 student.

11 D. A local school board shall ensure that each
12 high school student has the opportunity to develop a
13 next-step plan based on reports of college and workplace
14 readiness assessments, as available, and other factors and is
15 reasonably informed about:

16 (1) curricular and course options, including
17 honors or advanced placement courses, dual-credit courses,
18 distance learning courses, career clusters,
19 pre-apprenticeship programs or remediation programs that the
20 college and workplace readiness assessments indicate to be
21 appropriate;

22 (2) opportunities available that lead to
23 different post-high-school options; and

24 (3) alternative opportunities available if
25 the student does not finish a planned curriculum.

1 E. The secretary shall:

2 (1) establish specific accountability
3 standards for administrators, counselors, teachers and school
4 district staff to ensure that every student has the
5 opportunity to develop a next-step plan;

6 (2) promulgate rules for accredited private
7 schools in order to ensure substantial compliance with the
8 provisions of this section;

9 (3) monitor compliance with the requirements
10 of this section; and

11 (4) compile such information as is necessary
12 to evaluate the success of next-step plans and report
13 annually, by December 15, to the legislative education study
14 committee and the governor.

15 F. Once a student has entered ninth grade, the
16 graduation requirements shall not be changed for that student
17 from the requirements specified in the law at the time the
18 student entered ninth grade.

19 G. Successful completion of a minimum of
20 twenty-three units aligned to the state academic content and
21 performance standards shall be required for graduation.
22 These units shall be as follows:

23 (1) four units in English, with major
24 emphasis on grammar and literature;

25 (2) three units in mathematics, at least one

1 of which is equivalent to the algebra 1 level or higher;

2 (3) two units in science, one of which shall
3 have a laboratory component; provided, however, that with
4 students entering the ninth grade beginning in the 2005-2006
5 school year, three units in science shall be required, one of
6 which shall have a laboratory component;

7 (4) three units in social science, which
8 shall include United States history and geography, world
9 history and geography and government and economics;

10 (5) one unit in physical education;

11 (6) one unit in communication skills or
12 business education, with a major emphasis on writing and
13 speaking and that may include a language other than English;

14 (7) one-half unit in New Mexico history for
15 students entering the ninth grade beginning in the 2005-2006
16 school year; and

17 (8) nine elective units and seven and
18 one-half elective units for students entering the ninth grade
19 in the 2005-2006 school year that meet department content and
20 performance standards. Student service learning shall be
21 offered as an elective. Financial literacy shall be offered
22 as an elective. Pre-apprenticeship programs may be offered
23 as electives. Media literacy may be offered as an elective.

24 H. For students entering the ninth grade beginning
25 in the 2009-2010 school year, at least one of the units

1 required for graduation shall be earned as an advanced
2 placement or honors course, a dual-credit course offered in
3 cooperation with an institution of higher education or a
4 distance learning course.

5 I. The department shall establish a procedure for
6 students to be awarded credit through completion of specified
7 career technical education courses for certain graduation
8 requirements.

9 J. Successful completion of the requirements of
10 the New Mexico diploma of excellence shall be required for
11 graduation for students entering the ninth grade beginning in
12 the 2009-2010 school year. Successful completion of a
13 minimum of twenty-four units aligned to the state academic
14 content and performance standards shall be required to earn a
15 New Mexico diploma of excellence. These units shall be as
16 follows:

17 (1) four units in English, with major
18 emphasis on grammar, nonfiction writing and literature;

19 (2) four units in mathematics, of which one
20 shall be the equivalent to or higher than the level of
21 algebra 2, unless the parent submitted written, signed
22 permission for the student to complete a lesser mathematics
23 unit; and provided that a financial literacy course that
24 meets state mathematics academic content and performance
25 standards shall qualify as one of the four required

1 mathematics units;

2 (3) three units in science, two of which
3 shall have a laboratory component;

4 (4) three and one-half units in social
5 science, which shall include United States history and
6 geography, world history and geography, government and
7 economics and one-half unit of New Mexico history;

8 (5) one unit in physical education, as
9 determined by each school district, which may include
10 a physical education program that meets state content and
11 performance standards or participation in marching band,
12 junior reserve officers' training corps or interscholastic
13 sports sanctioned by the New Mexico activities association;

14 (6) one unit in one of the following:
15 a career cluster course, workplace readiness or a language
16 other than English; and

17 (7) seven and one-half elective units that
18 meet department content and performance standards. Student
19 service learning shall be offered as an elective. Financial
20 literacy shall be offered as an elective. Pre-apprenticeship
21 programs may be offered as electives. Media literacy may be
22 offered as an elective.

23 K. For students entering the eighth grade in the
24 2012-2013 school year, a course in health education is
25 required prior to graduation. Health education may be

1 required in either middle school or high school, as
2 determined by the school district. Each school district
3 shall submit to the department by the beginning of the
4 2011-2012 school year a health education implementation plan
5 for the 2012-2013 and subsequent school years, including in
6 which grade health education will be required and how the
7 course aligns with department content and performance
8 standards.

9 L. Final examinations shall be administered to all
10 students in all classes offered for credit.

11 M. Until July 1, 2010, a student who has not
12 passed a state graduation examination in the subject areas of
13 reading, English, mathematics, writing, science and social
14 science shall not receive a high school diploma. The state
15 graduation examination on social science shall include a
16 section on the constitution of the United States and the
17 constitution of New Mexico. If a student exits from the
18 school system at the end of grade twelve without having
19 passed a state graduation examination, the student shall
20 receive an appropriate state certificate indicating the
21 number of credits earned and the grade completed. If within
22 five years after a student exits from the school system the
23 student takes and passes the state graduation examination,
24 the student may receive a high school diploma. Any student
25 passing the state graduation examination and completing all

1 other requirements within five years of entering ninth grade,
2 including a final summer session if completed by August 1,
3 may be counted by the school system in which the student is
4 enrolled as a high school graduate for the year in which
5 completion and examination occur.

6 N. Beginning with the 2010-2011 school year, a
7 student shall not receive a New Mexico diploma of excellence
8 if the student has not demonstrated competence in the subject
9 areas of mathematics, reading and language arts, writing,
10 social studies and science, including a section on the
11 constitution of the United States and the constitution of
12 New Mexico, based on a standards-based assessment or
13 assessments or a portfolio of standards-based indicators
14 established by the department by rule. The standards-based
15 assessments required in Section 22-2C-4 NMSA 1978 may also
16 serve as the assessment required for high school graduation.
17 If a student exits from the school system at the end of grade
18 twelve without having satisfied the requirements of this
19 subsection, the student shall receive an appropriate state
20 certificate indicating the number of credits earned and the
21 grade completed. If within five years after a student exits
22 from the school system the student satisfies the requirement
23 of this subsection, the student may receive a New Mexico
24 diploma of excellence. Any student satisfying the
25 requirements of this subsection and completing all other

1 requirements within five years of entering ninth grade,
2 including a final summer session if completed by August 1,
3 may be counted by the school system in which the student is
4 enrolled as a high school graduate for the year in which all
5 requirements are satisfied.

6 0. As used in this section:

7 (1) "final next-step plan" means a next-step
8 plan that shows that the student has committed or intends to
9 commit in the near future to a four-year college or
10 university, a two-year college, a trade or vocational
11 program, an internship or apprenticeship, military service or
12 a job;

13 (2) "interim next-step plan" means an annual
14 next-step plan in which the student specifies
15 post-high-school goals and sets forth the coursework that
16 will allow the student to achieve those goals; and

17 (3) "next-step plan" means an annual
18 personal written plan of studies developed by a student in a
19 public school or other state-supported school or institution
20 in consultation with the student's parent and school
21 counselor or other school official charged with coursework
22 planning for the student that includes one or more of the
