1 A. respond to requests by the executive and
2 legislative branches of state government;

3 B. obtain and evaluate information from a broad
4 spectrum of New Mexico's society to develop and monitor the
5 implementation of the state's health policy, identifying and
6 evaluating the best practices and strategies for improving the
7 health status of New Mexicans;

8 C. evaluate population health, including the
9 prevalence, costs and impact of chronic diseases;

10 D. conduct evaluations of health-related programs
11 statewide and report its recommendations to the executive and
12 legislative branches of state government;

13 E. provide information and analysis on health
14 issues; and

15 F. by February 1 of each year, provide a list of
16 current health research matters for the legislative health and
17 human services committee to consider when devising its annual
18 work plan and an estimate of the cost and time that any
19 research conducted pursuant to the work plan would entail.

20 **SECTION 2. APPROPRIATION.**--Nine hundred thousand dollars
21 (\$900,000) is appropriated from the general fund to the board
22 of regents of the university of New Mexico for expenditure in
23 fiscal year 2017 to fund health-related applied research,
24 policy analysis and program evaluation and for the hiring of
25 staff to carry out research, analysis and program evaluation at
