Fiscal impact reports (FIRs) are prepared by the Legislative Finance Committee (LFC) for standing finance committees of the NM Legislature. The LFC does not assume responsibility for the accuracy of these reports if they are used for other purposes.

Current and previously issued FIRs are available on the NM Legislative Website (<a href="www.nmlegis.gov">www.nmlegis.gov</a>) and may also be obtained from the LFC in Suite 101 of the State Capitol Building North.

New Mexico Department of Transportation (NMDOT)

## **SUMMARY**

## **Synopsis of HTPWC Amendments**

The House Transportation, Public Works and Capital Improvements Committee amendments to House Memorial 56 change the location for the "Casimiro Roca Memorial Highway" to the junction with New Mexico State Road 68 in the City of Espanola to the junction with New Mexico State Road 503 in the Village of Chimayo.

#### Synopsis of House Memorial

House Memorial 56 (HM56) requests the New Mexico State Transportation Commission (STC) to name as the "Casimiro Roca Memorial Highway" the portion of New Mexico State Road 76 (NM76) between Espanola and Penasco at the junction of NM68 and NM75.

#### FISCAL IMPLICATIONS

The NMDOT reports the cost associated with production and installation of four to six signs along the designated portion of NM76 is approximately \$2,500. Pursuant to State Transportation Commission (STC) Policy No. 61, *Memorial or Honorary Designation or Dedication of Highways, Transportation Facilities and Structures*, the local governmental entity in which the

### House Memorial 56/aHTPWC - Page 2

highway requested for designation or dedication is located is responsible for all costs associated with the installation, routine maintenance or replacement of signs due to damage, normal wear and tear or vandalism. The designated portion of NM76 is located within Santa Fe and Mora Counties, so these counties would be responsible for signage costs per rule of the STC.

#### **SIGNIFICANT ISSUES**

The NMDOT writes if the State Transportation Commission (STC) takes action to dedicate the designated portion of NM76 as the "Casimiro Roca Memorial Highway," then Santa Fe and Mora Counties would be responsible for (1) installing within one year of the STC's dedication, appropriate signage in accordance with the *Manual on Uniform Traffic Control Devices* and the *Roadside Design Guide* at no cost to NMDOT; and (2) inspecting the signage annually and performing all maintenance, repairs and replacement of the signage at no cost to NMDOT.

The section of NM76 from the junction with NM503 (milepost 8.2) in Chimayo north to the junction with NM75 in Penasco (milepost 29.9) has been designated as the "High Road to Taos Scenic Byway" by the New Mexico Scenic and Historic Byway Program. The dedication proposed in HM56 cannot overlap the Scenic Byway designation; therefore, the designated portion of NM76 would need to be reduced to the portion of NM76 from Espanola (junction with NM68, milepost 0) to its junction with NM503 in Chimayo. Other than the "High Road to Taos Scenic Byway" designation, there are no other known designations that conflict with the proposed dedication of the designated portion of NM76.

### **TECHNICAL ISSUES**

The HTPWC amendments addressed the following issue: The NMDOT suggests to avoid overlapping the existing "High Road to Taos Scenic Byway" designation, HM56 could be amended to request the designation of Casimiro Roca Memorial Highway as "that portion of NM76 from Espanola (junction with NM68, milepost 0.0) to its junction with NM503 in Chimayo.
