SENATE BILL 148

53RD LEGISLATURE - STATE OF NEW MEXICO - SECOND SESSION, 2018

INTRODUCED BY

Pete Campos

AN ACT

RELATING TO CAPITAL EXPENDITURES; ENACTING THE CAPITAL OUTLAY REFORM ACT; PROVIDING POWERS AND DUTIES; CREATING THE CAPITAL PLANNING AND ASSISTANCE DIVISION OF THE DEPARTMENT OF FINANCE AND ADMINISTRATION; CREATING THE CAPITAL OUTLAY OVERSIGHT TASK FORCE; EXPANDING THE MEMBERSHIP OF THE CAPITOL BUILDINGS PLANNING COMMISSION; REQUIRING AN ANNUAL STATEWIDE CAPITAL IMPROVEMENTS PLAN.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF NEW MEXICO:

SECTION 1. [NEW MATERIAL] SHORT TITLE.--Sections 1 through 8 of this act may be cited as the "Capital Outlay Reform Act".

SECTION 2. [NEW MATERIAL] DEFINITIONS.--As used in the Capital Outlay Reform Act:

A. "capital project":

underscoring material = new
[bracketed material] = delete

1 (1) means the acquisition, repair, alteration,
2 demolition, renovation, construction, reconstruction,
3 furnishing or equipping of a public building, a public work, a
4 motor vehicle or heavy equipment that:

5 (a) is owned by an eligible entity;
6 (b) is located wholly in New Mexico; and
7 (c) has a useful life of at least six
8 years;

9 (2) includes:

10 (a) the planning, design and
11 professional engineering, surveying, architectural and
12 landscape architectural services directly related to a capital
13 project;

14 (b) when for a public building or public
15 work, the purchase of: 1) rights of way; 2) easements; 3)
16 land; 4) property; 5) water rights; and 6) site improvements;

17 (c) the purchase and installation of
18 equipment with a useful life of at least six years for a public
19 building or other public work;

20 (d) the purchase of furniture and
21 fixtures as part of a capital project; and

22 (e) a project that does not result in a
23 capital asset with a useful life of at least six years if the
24 project: 1) consists of the demolition of a capital asset; 2)
25 consists of watershed or forest improvements; 3) is an economic

1 development project funded in accordance with the Local
2 Economic Development Act; or 4) is deemed by the commission as
3 being one for which funding with capital outlay resources is in
4 the best interest of the state; and

5 (3) does not include:

6 (a) capital projects whose funding
7 derives solely from a loan or grant from the New Mexico finance
8 authority, the water trust board, the tribal infrastructure
9 board, the colonias infrastructure board or a combination of
10 those sources; or

11 (b) road projects funded by the
12 department of transportation;

13 B. "commission" means the capitol buildings
14 planning commission;

15 C. "division" means the capital planning and
16 assistance division of the department of finance and
17 administration;

18 D. "government entity" means:

19 (1) a state agency, a state institution or a
20 political subdivision of the state that is in compliance with
21 the Audit Act; or

22 (2) a federally recognized tribe or pueblo
23 located wholly or partially in New Mexico that is in compliance
24 with its tribal or pueblo government's requirements to ensure
25 fiscal responsibility; and

~~[bracketed material] = delete~~

1 E. "task force" means the capital outlay oversight
2 task force.

3 SECTION 3. [NEW MATERIAL] CAPITAL OUTLAY OVERSIGHT TASK
4 FORCE--CREATED--MEMBERSHIP--SUBCOMMITTEES--STAFF.--

5 A. The "capital outlay oversight task force" is
6 created as an interim committee of the legislature and consists
7 of:

8 (1) five members of the house of
9 representatives appointed by the speaker of the house of
10 representatives;

11 (2) five members of the senate appointed by
12 the senate committees' committee or, if the appointments are
13 made in the interim, by the president pro tempore of the senate
14 after consultation with the committees' committee and with the
15 agreement of a majority of its members;

16 (3) the chair of the house standing committee
17 charged with reviewing capital outlay requests or the chair's
18 designee;

19 (4) the chair of the senate standing committee
20 charged with reviewing capital outlay requests or the chair's
21 designee;

22 (5) the secretary of general services or the
23 secretary's designee;

24 (6) the secretary of transportation or the
25 secretary's designee;

underscoring material = new
~~[bracketed material] = delete~~

1 (7) the secretary of cultural affairs or the
2 secretary's designee;

3 (8) the secretary of finance and
4 administration or the secretary's designee; and

5 (9) one member appointed by the governor who
6 has expertise in the planning, engineering, architecture or
7 construction of large commercial or public capital projects.

8 B. For each set of appointments referred to in
9 Paragraphs (1) and (2) of Subsection A of this section,
10 appointments shall be made so as to match as closely as
11 possible the political composition of the chamber, except
12 insofar as is necessary to ensure that at least one member from
13 each party is appointed. An appointing authority may remove a
14 member it appoints for the member's nonattendance at task force
15 meetings. If the member is a legislator, that removal shall
16 comply with New Mexico legislative council policy.

17 C. Except for initially appointed members, whose
18 terms are one year, task force members' terms are two years and
19 expire on the first day of regular legislative sessions held in
20 odd-numbered years. A vacancy in a seat on the task force
21 shall be filled according to the terms applicable to the
22 original appointment. A member may serve consecutive terms on
23 the task force.

24 D. The appointing authorities for legislative
25 members shall designate the chair and vice chair of the task

.209416.1SA

1 force. During the fifty-third legislature, a member of the
2 senate shall serve as the chair, and a member of the house of
3 representatives shall serve as the vice chair. Thereafter, the
4 seats of chair and vice chair shall rotate between the two
5 chambers.

6 E. The chair of the task force may, subject to the
7 approval of the New Mexico legislative council, create a
8 subcommittee of the task force that consists of at least one
9 member from the house of representatives, one member from the
10 senate and one cabinet secretary and whose legislative members
11 collectively represent the two major political parties. The
12 subcommittee shall make an expenditure only if the task force
13 approves it in advance and if that approval is shown in the
14 task force's minutes.

15 F. The legislative council service shall provide
16 staff for the task force. Staff from the division and from the
17 legislative finance committee shall assist legislative council
18 service staff in performing task force-related functions.

19 SECTION 4. [NEW MATERIAL] CAPITAL OUTLAY OVERSIGHT TASK
20 FORCE--POWERS AND DUTIES.--

21 A. The task force shall:

22 (1) monitor the commission's work related to,
23 and progress on, the statewide capital improvements plan and
24 the commission's work related to the endorsement of capital
25 outlay expenditure authorization legislation;

.209416.1SA

underscoring material = new
~~[bracketed material] = delete~~

1 (2) develop an understanding of the elements
2 of that plan and legislation;

3 (3) consult with the commission and the
4 division on the development and adoption of the statewide
5 capital improvements plan, on annual updates to that plan and
6 on capital outlay expenditure authorization legislation;

7 (4) identify general categories of
8 infrastructure needs and establish broad, objective criteria
9 and a scoring methodology for the commission to employ when
10 selecting capital projects for inclusion in the statewide
11 capital improvements plan; and

12 (5) before the beginning of each regular
13 session of the legislature, report the results of its analyses
14 and oversight and its related recommendations, if any, to the
15 legislature and the governor.

16 B. The task force may:

17 (1) direct its staff to research requests from
18 legislators for capital projects that are not included in the
19 statewide capital improvements plan or in capital outlay
20 expenditure authorization legislation; and

21 (2) request that the commission consider those
22 requests for inclusion in the statewide capital improvements
23 plan or in capital outlay expenditure authorization
24 legislation.

25 C. If the task force endorses a capital project not

.209416.1SA

1 included in commission-endorsed capital outlay expenditure
2 authorization legislation, the task force shall express its
3 endorsement of the project through legislation separate from
4 the commission-endorsed authorization legislation.

5 SECTION 5. [NEW MATERIAL] DIVISION--POWERS AND DUTIES.--

6 A. The division shall:

7 (1) provide information and reports as
8 requested by the commission and the task force;

9 (2) receive infrastructure capital
10 improvements plans from entities applying for capital project
11 funding and forward each plan, either in its entirety or
12 relevant portions of it, to the appropriate state agency for
13 review;

14 (3) receive state agency recommendations on
15 infrastructure capital improvements plans, receive government
16 entities' identified priorities for capital project funding and
17 make recommendations to the commission on the development of
18 the statewide capital improvements plan;

19 (4) assist government entities with the
20 development and implementation of their annual multiyear
21 infrastructure capital improvements plans and preventive
22 maintenance plans;

23 (5) provide training and assistance to
24 government entities on the planning, budgeting and
25 administration of capital projects, including training and

1 assistance related to:

2 (a) the proper accounting, monitoring
3 and completion of capital projects; and

4 (b) compliance with laws imposing
5 project deadlines and requiring the reversion of unexpended
6 project funds;

7 (6) develop procedures to ensure current and
8 complete accounting and reporting on capital projects
9 authorized by the legislature for funding;

10 (7) maintain a central database on capital
11 projects that:

12 (a) includes the fiscal and programmatic
13 status of each capital project; and

14 (b) allows for government entities that
15 sponsor capital outlay projects authorized by the legislature
16 for funding to file electronic, quarterly status reports on
17 appropriations, encumbrances and expenditures that also include
18 other information, if any, required by the division;

19 (8) to facilitate the timely execution of
20 capital projects, the proper expenditure of state money and the
21 timely reversion of unexpended capital project balances,
22 oversee, either directly or indirectly through the state agency
23 charged with overseeing the project, all capital projects
24 authorized by the legislature for funding;

25 (9) identify stagnant capital projects

.209416.1SA

underscored material = new
~~[bracketed material] = delete~~

1 authorized by the legislature for funding and make
2 recommendations to the commission as to those projects'
3 reauthorization or deauthorization;

4 (10) cooperate with government entities that
5 sponsor capital outlay projects authorized by the legislature
6 for funding to ensure that each capital project proceeds in the
7 time frame required by the legislation authorizing funding for
8 the project and to ensure that projects meet applicable federal
9 and state requirements;

10 (11) provide to the legislative council
11 service the information on capital projects required for the
12 service to draft capital outlay expenditure authorization
13 legislation;

14 (12) before the date funding for capital
15 projects becomes available, report to the state board of
16 finance on whether, for each capital project authorized by the
17 legislature for funding, the government entity sponsoring the
18 project is in compliance with:

19 (a) budget and quarterly report
20 submissions to the local government division of the department
21 of finance and administration or the public education
22 department, as applicable; and

23 (b) capital project-related reporting
24 requirements established by the division; and

25 (13) promulgate rules defining the division's

.209416.1SA

underscoring material = new
~~[bracketed material] = delete~~

1 statutorily established powers and duties.

2 B. The division may evaluate, for compliance and
3 performance, capital projects authorized by the legislature for
4 funding.

5 C. When developing recommendations for capital
6 project expenditure funding authorization, deauthorization or
7 reauthorization in accordance with Subsection A of this
8 section, the division and reviewing state agencies shall
9 coordinate with other capital project planning and funding
10 agencies and instrumentalities in the state, including the New
11 Mexico finance authority, the water trust board, the tribal
12 infrastructure board, the colonias infrastructure board and the
13 public school capital outlay council, and shall coordinate with
14 the federal agencies that provide capital project funding for
15 state and local governments, to:

16 (1) ensure that the commission has the
17 information it needs to, as appropriate, consider the
18 infrastructure improvement needs in the state and the funding
19 sources available to satisfy those needs; and

20 (2) allow the commission to prioritize those
21 needs according to the task force-established project-selection
22 criteria and scoring methodology.

23 D. The New Mexico finance authority, the water
24 trust board, the tribal infrastructure board and the colonias
25 infrastructure board shall regularly report to the division on:

.209416.1SA

underscored material = new
~~[bracketed material] = delete~~

1 (1) the capital project proposals received
2 from government entities by the authority or board as part of
3 the authority's or board's funding application process;

4 (2) the capital projects sponsored by those
5 entities and selected by the authority or board for funding
6 and, for each project selected:

7 (a) the amount of funding awarded; and

8 (b) whether that award is sufficient to
9 fund: 1) the entire project; or 2) an identifiable, discrete
10 phase of the project; and

11 (3) the authority's or board's annual and
12 long-range plans.

13 E. The department of transportation shall regularly
14 report to the division on the department's annual and long-
15 range state transportation infrastructure plans.

16 F. The division shall include in the statewide
17 capital improvements plan the plans submitted in accordance
18 with Paragraph (3) of Subsection D and with Subsection E of
19 this section.

20 G. A government entity that applies for capital
21 outlay project funding or whose capital project is authorized
22 by the legislature for funding shall cooperate with the
23 division as necessary for the division to perform its duties in
24 accordance with this section.

25 H. The division shall regularly update the

1 commission and the task force on the status of proposed,
2 ongoing and completed capital projects.

3 SECTION 6. [NEW MATERIAL] STATEWIDE CAPITAL IMPROVEMENTS
4 PLAN--CREATION--PLAN REQUIREMENTS--GUIDELINES--PLAN
5 SUBMISSIONS.--

6 A. The commission shall prepare, publish and
7 annually update a statewide capital improvements plan that:

- 8 (1) spans at least five future years;
- 9 (2) is based on best practices in, and
10 national standards for, capital budgeting;
- 11 (3) details the capital projects recommended
12 for state funding and identifies which of those projects would
13 fall under state regulation;
- 14 (4) includes a summary of changes from the
15 prior year's plan;
- 16 (5) includes capital projects geographically
17 diverse from one another;
- 18 (6) prioritizes capital projects recommended
19 for funding using the project-selection criteria and scoring
20 methodology established by the task force;
- 21 (7) classifies capital projects with respect
22 to urgency and need;
- 23 (8) identifies, for each project:
 - 24 (a) a recommended time sequence for
25 construction or purchase;

underscored material = new
~~[bracketed material] = delete~~

- 1 (b) the estimated cost;
- 2 (c) the estimated overall cost of
- 3 operation and maintenance;
- 4 (d) the revenue, if any, that will
- 5 result from the project;
- 6 (e) existing or additional sources of
- 7 funding needed for project construction, operation and
- 8 maintenance;
- 9 (f) the eligible entity of ownership;
- 10 and
- 11 (g) the entity that will operate it;
- 12 (9) includes a description of outstanding
- 13 capital projects authorized for funding with state money, and,
- 14 for each:
- 15 (a) the estimated completion date; and
- 16 (b) the initial cost, estimated
- 17 completion cost and estimated first-five-years operational
- 18 cost; and
- 19 (10) includes other capital project or
- 20 statewide capital improvements plan information, if any,
- 21 required by the commission or the task force.

22 B. The commission shall recommend a capital project

23 for funding with state money only if it is included in the

24 statewide capital improvements plan.

25 C. Using the project-selection criteria and scoring

underscored material = new
~~[bracketed material] = delete~~

1 methodology established by the task force, the commission shall
2 develop guidelines for evaluating capital project requests that
3 include as considerations:

4 (1) the critical needs, including the public
5 health and safety needs, the project would address;

6 (2) if the government entity proposing the
7 project is not a state agency or instrumentality, the ability
8 of the entity to secure matching funding from non-state sources
9 for the project;

10 (3) the availability of other sources of
11 funding for the project, including funding from state and
12 federal planning and funding agencies and instrumentalities;

13 (4) the feasibility of phasing the project, if
14 necessary, and the availability of funding to complete at least
15 one full, functional phase;

16 (5) the ability of the government entity
17 proposing the project to provide for the operation and
18 maintenance of the project;

19 (6) the estimated useful life of the project;

20 (7) the available alternatives to the project
21 as requested;

22 (8) the possibility of renovation as a means
23 to minimize substantial capital outlay spending in the short
24 and long terms;

25 (9) the most appropriate funding source or

.209416.1SA

underscoring material = new
~~[bracketed material] = delete~~

1 sources for the type of project; and

2 (10) other project elements, if any,
3 identified as evaluation considerations by the commission.

4 D. A government entity applying for the inclusion
5 of a capital project in the statewide capital improvements plan
6 shall follow the application guidelines established by the
7 commission.

8 E. By May 1 of each year, a government entity
9 applying for the inclusion of a capital project in the
10 statewide capital improvements plan shall submit its
11 infrastructure capital improvements plan, which shall span at
12 least five future years, to the division. The division shall
13 forward the entire plan or a portion of the plan, as
14 appropriate, to the appropriate state agency for its review.

15 F. By July 1 of each year, a state agency that
16 receives a proposal for state funding of a capital project
17 shall review the proposal and develop a recommendation on
18 whether the project should be funded with state money. The
19 agency shall submit that recommendation to the division. For
20 capital projects proposed by government entities that are not
21 state agencies or instrumentalities, the recommendations shall
22 include a comprehensive analysis of the entity's capacity and
23 effort to fund the requested capital project from sources other
24 than the state and its ability to operate and maintain the
25 capital project, if applicable.

.209416.1SA

underscoring material = new
~~[bracketed material] = delete~~

1 G. By November 1 of each year, the commission shall
2 submit the statewide capital improvements plan and the current
3 priority list of capital projects to the task force. The
4 priority list of capital projects shall be based on the
5 project-selection criteria and scoring methodology established
6 by the task force.

7 **SECTION 7. [NEW MATERIAL] CAPITAL OUTLAY PROJECT**
8 **FUNDING--COMPLIANCE REQUIREMENTS.**--Funding for a capital
9 project shall be released only if the government entity
10 sponsoring the project is in compliance with:

11 A. budget and quarterly report submissions to the
12 local government division of the department of finance and
13 administration or the public education department, as
14 applicable; and

15 B. capital project-related reporting requirements
16 established by the division.

17 **SECTION 8. [NEW MATERIAL] REPORTS.**--A government entity
18 whose capital project is authorized by the legislature for
19 funding shall electronically file with the division quarterly
20 status reports on project appropriations, encumbrances and
21 expenditures.

22 **SECTION 9.** Section 6-21-31 NMSA 1978 (being Laws 1992,
23 Chapter 61, Section 31) is amended to read:

24 "6-21-31. **POWERS AND DUTIES.**--The New Mexico finance
25 authority oversight committee shall:

1 (7) four members appointed by the governor,
2 each of whom has expertise in planning, engineering,
3 architecture or construction of large commercial or public
4 capital projects.

5 B. A vacancy in a seat on the commission shall be
6 filled according to the terms applicable to the original
7 appointment. A member may serve consecutive terms on the
8 commission.

9 C. For the member's attendance at commission
10 meetings, a commission member may receive per diem and mileage
11 as a nonsalaried public officer in accordance with the Per Diem
12 and Mileage Act, unless a different law providing for
13 compensation for that attendance applies to the member, in
14 which case that law controls. A member shall receive no other
15 compensation, perquisite or allowance for the member's service
16 on the commission.

17 ~~[B-]~~ D. The commission shall:

18 (1) study and plan for the long-range
19 facilities needs of state government in the greater
20 metropolitan areas of Las Cruces, Santa Fe and Albuquerque and,

4 addressing deferred maintenance on state facilities and
5 disposal strategies for aging facilities no longer able to
6 serve their mission; ~~and~~

7 (4) utilizing life cycle costing, work with
8 the general services department in developing recommendations
9 regarding whether the state should lease, lease-purchase or
10 purchase needed additional facilities;

11 (5) prepare, publish and annually update a
12 statewide capital improvements plan in accordance with Section
13 6 of the Capital Outlay Reform Act;

14 (6) make recommendations to the legislature on
15 funding sources for prioritized capital projects through the
16 endorsement of capital outlay expenditure authorization
17 legislation that:

18 (a) authorizes funding from the sale of
19 severance tax bonds, supplemental severance tax bonds or
20 general obligation bonds or from nonrecurring general fund
21 appropriations; and

22 (b) authorizes funding from the sale of
23 bonds for a capital project only if: 1) the project has a
24 useful life of at least six years; and 2) the project is
25 included in the statewide capital improvements plan or the
