

1 AN ACT

2 MAKING GENERAL APPROPRIATIONS AND AUTHORIZING EXPENDITURES BY STATE AGENCIES REQUIRED BY LAW.

3 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF NEW MEXICO:

4 Section 1. SHORT TITLE.--This act may be cited as the "General Appropriation Act of 2019".

5 Section 2. DEFINITIONS.--As used in the General Appropriation Act of 2019:

6 A. "agency" means an office, department, agency, institution, board, bureau, commission,
7 court, district attorney, council or committee of state government;

8 B. "efficiency" means the measure of the degree to which services are efficient and
9 productive and is often expressed in terms of dollars or time per unit of output;

10 C. "explanatory" means information that can help users to understand reported performance
11 measures and to evaluate the significance of underlying factors that may have affected the reported
12 information;

13 D. "federal funds" means any payments by the United States government to state government or
14 agencies except those payments made in accordance with the federal Mineral Leasing Act;

15 E. "full-time equivalent" means one or more authorized positions that alone or together
16 receives or receive compensation for not more than two thousand ninety-six hours worked in fiscal year
17 2020. The calculation of hours worked includes compensated absences but does not include overtime,
18 compensatory time or sick leave paid pursuant to Section 10-7-10 NMSA 1978;

19 F. "general fund" means that fund created by Section 6-4-2 NMSA 1978 and includes federal
20 Mineral Leasing Act receipts and those payments made in accordance with the federal block grant and the
21 federal Workforce Investment Act but excludes the general fund operating reserve, the appropriation
22 contingency fund, the tax stabilization reserve and any other fund, reserve or account from which general
23 appropriations are restricted by law;

24 G. "interagency transfers" means revenue, other than internal service funds, legally
25 transferred from one agency to another;

1 H. "internal service funds" means:

2 (1) revenue transferred to an agency for the financing of goods or services to another
3 agency on a cost-reimbursement basis; and

4 (2) balances in agency internal service fund accounts appropriated by the General
5 Appropriation Act of 2019;

6 I. "other state funds" means:

7 (1) nonreverting balances in agency accounts, other than in internal service funds
8 accounts, appropriated by the General Appropriation Act of 2019;

9 (2) all revenue available to agencies from sources other than the general fund,
10 internal service funds, interagency transfers and federal funds; and

11 (3) all revenue, the use of which is restricted by statute or agreement;

12 J. "outcome" means the measure of the actual impact or public benefit of a program;

13 K. "output" means the measure of the volume of work completed or the level of actual
14 services or products delivered by a program;

15 L. "performance measure" means a quantitative or qualitative indicator used to assess a
16 program;

17 M. "quality" means the measure of the quality of a good or service produced and is often an
18 indicator of the timeliness, reliability or safety of services or products produced by a program;

19 N. "revenue" means all money received by an agency from sources external to that agency, net
20 of refunds and other correcting transactions, other than from issue of debt, liquidation of investments
21 or as agent or trustee for other governmental entities or private persons; and

22 O. "target" means the expected level of performance of a program's performance measures.

23 Section 3. **GENERAL PROVISIONS.--**

24 A. Amounts set out under column headings are expressed in thousands of dollars.

25 B. Amounts set out under column headings are appropriated from the source indicated by the

1 column heading. All amounts set out under the column heading "Internal Service Funds/Interagency
2 Transfers" are intergovernmental transfers and do not represent a portion of total state government
3 appropriations. All information designated as "Total" or "Subtotal" is provided for information and
4 amounts are not appropriations.

5 C. Amounts set out in Section 4 of the General Appropriation Act of 2019, or so much as may
6 be necessary, are appropriated from the indicated source for expenditure in fiscal year 2020 for the
7 objects expressed.

8 D. Unexpended balances in agency accounts remaining at the end of fiscal year 2019 shall
9 revert to the general fund by October 1, 2019 unless otherwise indicated in the General Appropriation Act
10 of 2019 or otherwise provided by law.

11 E. Unexpended balances in agency accounts remaining at the end of fiscal year 2020 shall
12 revert to the general fund by October 1, 2020 unless otherwise indicated in the General Appropriation Act
13 of 2019 or otherwise provided by law.

14 F. The state budget division shall monitor revenue received by agencies from sources other
15 than the general fund and shall reduce the operating budget of any agency whose revenue from such sources
16 is not meeting projections. The state budget division shall notify the legislative finance committee of
17 any operating budget reduced pursuant to this subsection.

18 G. Except as otherwise specifically stated in the General Appropriation Act of 2019,
19 appropriations are made in this act for the expenditures of agencies and for other purposes as required
20 by existing law for fiscal year 2020. If any other act of the first session of the fifty-fourth
21 legislature changes existing law with regard to the name or responsibilities of an agency or the name or
22 purpose of a fund or distribution, the appropriation made in the General Appropriation Act of 2019 shall
23 be transferred from the agency, fund or distribution to which an appropriation has been made as required
24 by existing law to the appropriate agency, fund or distribution provided by the new law.

25 H. The department of finance and administration will regularly consult with the legislative

1 finance committee staff to compare fiscal year 2020 revenue collections with the revenue estimate. If the
2 analyses indicate that revenues and transfers to the general fund are not expected to meet
3 appropriations, then the department shall present a plan to the legislative finance committee that
4 outlines the methods by which the administration proposes to address the deficit.

5 I. Pursuant to Sections 6-3-23 through 6-3-25 NMSA 1978, agencies whose revenue from state
6 board of finance loans, from revenue appropriated by other acts of the legislature, or from gifts,
7 grants, donations, bequests, insurance settlements, refunds or payments into revolving funds exceeds
8 specifically appropriated amounts may request budget increases from the state budget division. If
9 approved by the state budget division, such money is appropriated.

10 J. Except for gasoline credit cards used solely for operation of official vehicles,
11 telephone credit cards used solely for official business and procurement cards used as authorized by
12 Section 6-5-9.1 NMSA 1978, none of the appropriations contained in the General Appropriation Act of 2019
13 may be expended for payment of agency-issued credit card invoices.

14 K. For the purpose of administering the General Appropriation Act of 2019, the state of New
15 Mexico shall follow the modified accrual basis of accounting for governmental funds in accordance with
16 the manual of model accounting practices issued by the department of finance and administration.

J. HIGHER EDUCATION

15 On approval of the higher education department, the state budget division of the department of finance
16 and administration may approve increases in budgets of agencies in this subsection, with the exception of
17 the policy development and institutional financial oversight program of the higher education department,
18 whose other state funds exceed amounts specified. In approving budget increases, the director of the
19 state budget division shall advise the legislature through its officers and appropriate committees, in
20 writing, of the justification for the approval.

21 The department of finance and administration shall, as directed by the secretary of higher
22 education, withhold from an educational institution or program that the higher education department
23 places under an enhanced fiscal oversight program a portion, up to ten percent, of the institution's or
24 program's general fund allotments. On written notice by the secretary of higher education that the
25 institution or program has made sufficient progress toward satisfying the requirements imposed by the

K. PUBLIC SCHOOL SUPPORT

6 Except as otherwise provided, unexpended balances of appropriations made in this subsection shall not
7 revert at the end of fiscal year 2020.

8 PUBLIC SCHOOL SUPPORT:

9 (1) State equalization guarantee distribution:

10 The purpose of public school support is to carry out the mandate to establish and maintain a uniform
11 system of free public schools sufficient for the education of, and open to, all the children of school
12 age in the state.

13 Appropriations: 3,068,803.4 5,000.0 3,073,803.4

14 The rate of distribution of the state equalization guarantee distribution shall be based on a program
15 unit value determined by the secretary of public education. The secretary of public education shall
16 establish a preliminary unit value to establish budgets for the 2019-2020 school year and then, on
17 verification of the number of units statewide for fiscal year 2020 but no later than January 31, 2020,
18 the secretary of public education may adjust the program unit value. In setting the preliminary unit
19 value and the final unit value in January, the public education department shall consult with the
20 department of finance and administration, the legislative finance committee and the legislative education
21 study committee.

22 The general fund appropriation to the state equalization guarantee distribution includes forty
23 million four hundred thirty-three thousand dollars (\$40,433,000) contingent on enactment of House Bill 5
24 or Senate Bill 1 in the first session of the fifty-fourth legislature amending the School Personnel Act
25 to increase teacher and administrator minimum salary levels. The secretary of public education shall

1 ensure that during fiscal year 2020 no full-time level one teacher receives a base salary less than
2 forty-one thousand dollars (\$41,000), no full-time level two teacher receives a base salary less than
3 fifty thousand dollars (\$50,000), no full-time level three-A teacher receives a base salary less than
4 sixty thousand dollars (\$60,000) and no full-time level three-B school principal or level three-B
5 assistant school principal receives a base salary less than sixty thousand dollars (\$60,000) multiplied
6 by the applicable responsibility factor as defined in Subsection B of Section 22-10A-2 NMSA 1978.

7 The general fund appropriation to the state equalization guarantee distribution includes seventy-
8 seven million seven hundred fifty-three thousand dollars (\$77,753,000) to provide a six percent salary
9 increase to all licensed teachers whose primary duty is classroom instruction. This amount shall be
10 provided separately and prior to any amendments to the statutory minimum salary of level one teachers,
11 level two teachers and level three-A teachers in the School Personnel Act enacted in the first session of
12 the fifty-fourth legislature. The secretary of public education shall not approve the operating budget of
13 a school district or charter school that does not provide a six percent salary increase for all licensed
14 teachers whose primary duty is classroom instruction.

15 The general fund appropriation to the state equalization guarantee distribution includes six
16 million two hundred twenty-five thousand four hundred dollars (\$6,225,400) to provide a six percent
17 salary increase to all licensed school principals and licensed assistant school principals whose primary
18 duty is school administration. This amount shall be provided separately and prior to any amendments to
19 the statutory minimum salary of level three-B administrators in the School Personnel Act enacted in the
20 first session of the fifty-fourth legislature. The secretary of public education shall not approve the
21 operating budget of a school district or charter school that does not provide a six percent salary
22 increase for all licensed school principals and licensed assistant school principals whose primary duty
23 is school administration.

24 The general fund appropriation to the state equalization guarantee distribution includes thirty-
25 seven million six hundred ninety-four thousand four hundred dollars (\$37,694,400) to provide a six

1 percent salary increase for all instructional staff and other licensed and unlicensed staff, other than
2 licensed teachers with a primary duty of classroom instruction and licensed school principals or licensed
3 assistant school principals with a primary duty of school administration. Provided however that salary
4 increases for district superintendents shall be established by the district school board. The secretary
5 of public education shall not approve the operating budget of a school district or charter school that
6 does not provide a six percent salary increase for all instructional staff and other licensed and
7 unlicensed staff, other than licensed teachers with a primary duty of classroom instruction, or licensed
8 school principals and licensed assistant school principals with a primary duty of school administration.
9 The secretary of public education shall not approve the operating budget of a school district or charter
10 school that does not prioritize salary increases for instructional staff or disproportionately allocates
11 salary increases for central office administrators; provided that school districts and charter schools
12 are encouraged to allocate average salary increases for all school staff the same as licensed teachers
13 with a primary duty of classroom instruction.

14 The general fund appropriation to the state equalization guarantee distribution includes four
15 million two hundred fifty thousand dollars (\$4,250,000) to provide public education employees eligible
16 for coverage under the Educational Retirement Act an employer-paid pension increase contingent on
17 enactment of House Bill 501 or similar legislation in the first session of the fifty-fourth legislature
18 amending the Educational Retirement Act to increase employer-paid pension contributions by twenty-five
19 hundredths of one percent.

20 The general fund appropriation to the state equalization guarantee distribution includes one
21 hundred three million two hundred eleven thousand eight hundred dollars (\$103,211,800) contingent on
22 enactment of House Bill 5 or Senate Bill 1 in the first session of the fifty-fourth legislature amending
23 the Public School Code to do the following: define a maximum age for a school-age person and a qualified
24 student of twenty-two years old, increase the at-risk index multiplier to twenty-five hundredths,
25 eliminate school size adjustments for schools in large school districts and establish a formula factor

1 for schools in rural areas.

2 The general fund appropriation to the state equalization guarantee distribution includes sixty-two
3 million four hundred ninety-seven thousand five hundred dollars (\$62,497,500) contingent on enactment of
4 House Bill 5 or Senate Bill 1 in the first session of the fifty-fourth legislature amending the Public
5 School Code to establish an extended learning time program factor in the public school funding formula
6 for extended learning time programs. The secretary of public education shall consider those extended
7 learning time programs eligible for state financial support and the amount of state funding available for
8 extended learning time programs and determine, in consultation with the department of finance and
9 administration, legislative finance committee and legislative education study committee, the programs and
10 consequent numbers of students in extended learning time programs that will be used to calculate the
11 number of additional program units for extended learning time programs. Any amount of the sixty-two
12 million four hundred ninety-seven thousand five hundred dollar (\$62,497,500) appropriation that is not
13 distributed through the new extended learning time program factor, calculated by multiplying the final
14 program unit value set for the 2019-2020 school year by the total extended learning time program units
15 and subtracting that product from sixty-two million four hundred ninety-seven thousand five hundred
16 dollars (\$62,497,500), shall be transferred to the public education reform fund.

17 The general fund appropriation to the state equalization guarantee distribution includes one
18 hundred nineteen million eight hundred ninety-five thousand nine hundred dollars (\$119,895,900)
19 contingent on enactment of House Bill 5 or Senate Bill 1 in the first session of the fifty-fourth
20 legislature amending the Public School Code to establish a K-5 plus factor in the public school funding
21 formula for K-5 plus programs. The secretary of public education shall consider those K-5 plus programs
22 eligible for state financial support and the amount of state funding available for K-5 plus programs and
23 determine, in consultation with the department of finance and administration, legislative finance
24 committee and legislative education study committee, the programs and consequent numbers of students in
25 K-5 plus programs that will be used to calculate the number of additional program units for K-5 plus

1 programs. Any amount of the one hundred nineteen million eight hundred ninety-five thousand nine hundred
2 dollar (\$119,895,900) appropriation that is not distributed through the new K-5 plus program factor,
3 calculated by multiplying the final program unit value set for the 2019-2020 school year by the total K-5
4 plus program units and subtracting that product from one hundred nineteen million eight hundred ninety-
5 five thousand nine hundred dollars (\$119,895,900), shall be transferred to the public education reform
6 fund.

7 For fiscal year 2020, if the program cost made available is insufficient to meet the level of state
8 support required by the special education maintenance of effort requirements of Part B of the federal
9 Individuals with Disabilities Education Act, the public education department shall reduce the program
10 cost in an amount that equals the projected shortfall and distribute that amount to school districts and
11 charter schools in the same manner and on the same basis as the state equalization guarantee distribution
12 to meet the level of support required by Part B of the federal Individuals with Disabilities Education
13 Act for fiscal year 2020 and shall reduce the final unit value to account for the reduction.

14 After considering those elementary physical education programs eligible for state financial support
15 and the amount of state funding available for elementary physical education, the secretary of public
16 education shall annually determine the programs and the consequent numbers of students in elementary
17 physical education that will be used to calculate the number of elementary physical education program
18 units, ~~provided that no school district or charter school shall generate elementary physical education~~
19 ~~program units in fiscal year 2020 in excess of the total average number of elementary school students~~
20 ~~enrolled on the second and third reporting date of the 2018-2019 school year multiplied by the cost~~
21 ~~differential factor of six one-hundredths as established in Section 22-8-23.7 NMSA 1978.~~

22 The public education department shall monitor and evaluate the ways in which school districts and
23 individual schools use funding distributed for at-risk program units, bilingual and multicultural
24 education program units, extended learning time program units, K-5 plus program units, instructional
25 materials and classroom instruction in fiscal year 2020 and report its findings and recommendations to

1 the governor, legislative education study committee and legislative finance committee on or before
2 December 1, 2019.

3 The general fund appropriation to the state equalization guarantee distribution includes sufficient
4 funding for school districts and charter schools to purchase culturally appropriate instructional
5 materials for eligible students. The public education department shall monitor and evaluate the extent to
6 which schools purchase and use instructional materials relevant to the cultures, languages, history and
7 experiences of culturally diverse students.

8 The public education department shall not approve the operating budget of any school district or
9 charter school to operate a four-day school week during the 2019-2020 school year that did not provide a
10 four-day school week during the 2018-2019 school year.

11 The public education department shall not approve the operating budget of any school district or
12 charter school with fewer than fifty thousand students that spends less than one standard deviation below
13 the average expenditure rate of comparable school districts and charter schools on instruction, student
14 support services and instructional support services unless that school district or charter school
15 demonstrates the budgeted spending level for instruction, student support services and instructional
16 support services is sufficient to provide a free and appropriate public education to all students.

17 The public education department shall not approve the operating budget of any school district or
18 charter school with greater than or equal to fifty thousand students that spends less than seventy-five
19 percent of general fund appropriations on instruction, student support services and instructional support
20 services unless that school district or charter school demonstrates the budgeted spending level for
21 instruction, student support services and instructional support services is sufficient to provide a free
22 and appropriate public education to all students.

23 Funds appropriated from the general fund to the state equalization guarantee distribution or any
24 cash balances derived from appropriations from the general fund to the state equalization guarantee
25 distribution in any year shall not be used to fund any litigation against the state unless or until a

2 remedies have been exhausted.

3 The general fund appropriation to the public school fund shall be reduced by the amounts
4 transferred to the public school fund from the current school fund and from federal Mineral Leasing Act
5 receipts otherwise unappropriated.

6 The general fund appropriation to the state equalization guarantee distribution reflects the
7 deduction of federal revenue pursuant to Paragraph (2) of Subsection C of Section 22-8-25 NMSA 1978 that
8 includes payments to school districts and charter schools commonly known as "impact aid funds" pursuant
9 to 20 U.S.C. 7701 et seq., and formerly known as "PL874 funds."

10 The other state funds appropriation is from the balances received by the public education
11 department pursuant to Section 66-5-44 NMSA 1978.

12 ~~Within thirty calendar days of initial submission, the secretary of public education shall process~~
13 ~~and pay each request for reimbursement submitted to the public education department by a school district~~
14 ~~or charter school.~~

15 The department of finance and administration may adjust a school district's or charter school's
16 monthly state equalization guarantee progress payment to provide flexibility to meet cash flow needs,
17 provided that no school district or charter school shall receive an annual state equalization guarantee
18 distribution that is more than their proportionate fiscal year 2020 share.

19 Any unexpended balances in the authorized distributions remaining at the end of fiscal year 2020
20 from appropriations made from the general fund shall revert to the general fund.
