

SENATE BILL 92

56TH LEGISLATURE - STATE OF NEW MEXICO - FIRST SESSION, 2023

INTRODUCED BY

Gerald Ortiz y Pino

This document may incorporate amendments proposed by a committee, but not yet adopted, as well as amendments that have been adopted during the current legislative session. The document is a tool to show amendments in context and cannot be used for the purpose of adding amendments to legislation.

AN ACT

RELATING TO PROFESSIONAL LICENSURE; AMENDING AND ENACTING SECTIONS OF THE PHARMACY ACT TO EXPAND PHARMACIST SCOPE OF PRACTICE.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF NEW MEXICO:

SECTION 1. Section 61-11-2 NMSA 1978 (being Laws 1969, Chapter 29, Section 2, as amended) is amended to read:

"61-11-2. DEFINITIONS.--As used in the Pharmacy Act:

.223627.3AIC January 30, 2023 (12:39pm)

A. "administer" means the direct application of a drug to the body of a patient or research subject by injection, inhalation, ingestion or any other means as a result of an order of a licensed practitioner;

B. "board" means the board of pharmacy;

C. "compounding" means preparing, mixing, assembling, packaging or labeling a drug or device as the result of a licensed practitioner's prescription or for the purpose of, or as an incident to, research, teaching or chemical analysis and not for sale or dispensing.

"Compounding" also includes preparing drugs or devices in anticipation of a prescription based on routine, regularly observed prescribing patterns;

D. "confidential information" means information in the patient's pharmacy records accessed, maintained by or transmitted to the pharmacist or communicated to the patient as part of patient counseling and may be released only to the patient or as the patient directs; or to those licensed practitioners and other authorized health care professionals as defined by regulation of the board when, in the pharmacist's professional judgment, such release is necessary to protect the patient's health and well-being; or to other persons authorized by law to receive the information, regardless of whether the information is on paper, preserved on microfilm or stored on electronic media;

E. "consulting pharmacist" means a pharmacist whose services are engaged on a routine basis by a hospital or other health care facility and who is responsible for the distribution, receipt and storage of drugs according to the state and federal regulations;

F. "custodial care facility" means a nursing home, retirement care, mental care or other facility that provides extended health care;

G. "dangerous drug" means a drug that is required by an applicable federal or state law or rule to be dispensed pursuant to a prescription or is restricted to use by licensed practitioners; or that is required by federal law to be labeled with any of the following statements prior to being dispensed or delivered:

(1) "Caution: federal law prohibits dispensing without prescription.";

(2) "Caution: federal law restricts this drug to use by or on the order of a licensed veterinarian."; or

(3) "RX only";

H. "device" means an instrument, apparatus, implement, machine, contrivance, implant or similar or related article, including a component part or accessory, that is required by federal law to bear the label, "Caution: federal or state law requires dispensing by or on the order of a physician.";

I. "dispense" means the evaluation and implementation of a prescription, including the preparation and delivery of a drug or device to a patient or patient's agent in a suitable container appropriately labeled for subsequent administration to or use by a patient;

J. "distribute" means the delivery of a drug or device other than by administering or dispensing;

K. "drug" means:

(1) an article recognized as a drug in an official compendium or its supplement that is designated from time to time by the board for use in the diagnosis, cure, mitigation, treatment or prevention of disease in humans or other animals;

(2) an article intended for use in the diagnosis, cure, mitigation, treatment or prevention of diseases in humans or other animals;

(3) an article, other than food, that affects the structure or a function of the body of humans or other animals; and

(4) an article intended for use as a component of an article described in Paragraph (1), (2) or (3) of this subsection;

L. "drug regimen review" includes an evaluation of a prescription and patient record for:

(1) known allergies;

(2) rational therapy contraindications;
(3) reasonable dose and route of
administration;

(4) reasonable directions for use;
(5) duplication of therapy;
(6) drug-drug interactions;
(7) adverse drug reactions; and
(8) proper use and optimum therapeutic
outcomes;

M. "electronic transmission" means transmission of
information in electronic form or the transmission of the exact
visual image of a document by way of electronic equipment;

N. "hospital" means an institution that is licensed
as a hospital by the department of health;

O. "labeling" means the process of preparing and
affixing a label to a drug container exclusive of the labeling
by a manufacturer, packer or distributor of a nonprescription
drug or commercially packaged prescription drug or device; and
which label includes all information required by federal or
state law or regulations adopted pursuant to federal or state
law;

P. "licensed practitioner" means a person engaged
in a profession licensed by a state, territory or possession of
the United States who, within the limits of the person's
license, may lawfully prescribe, dispense or administer drugs

for the treatment of a patient's condition;

Q. "manufacturing" means the production, preparation, propagation, conversion or processing of a drug or device, either directly or indirectly, by extraction from substances of natural origin or independently by means of chemical or biological synthesis and includes packaging or repackaging, labeling or relabeling and the promotion and marketing of the drugs or devices. "Manufacturing" also includes the preparation and promotion of commercially available products from bulk compounds for resale by pharmacies, licensed practitioners or other persons;

R. "nonprescription drugs" means nonnarcotic medicines or drugs that may be sold without a prescription and are prepackaged for use by a consumer and are labeled in accordance with the laws and regulations of the state and federal governments;

S. "nonresident pharmacy" means any pharmacy located outside New Mexico that ships, mails or delivers, in any manner, drugs into New Mexico;

T. "outsourcing facility" means a facility at one geographic location or address that engages in the compounding of sterile drugs, is licensed by the board and, in accordance with board rules, is currently registered with the United States food and drug administration as an outsourcing facility;

U. "patient counseling" means the oral

communication by the pharmacist of information to a patient or the patient's agent or caregiver regarding proper use of a drug or device;

V. "person" means an individual, corporation, partnership, association or other legal entity;

W. "pharmaceutical care" means the provision of drug therapy and other patient care services related to drug therapy intended to achieve definite outcomes that improve a patient's quality of life, including identifying potential and actual drug-related problems, resolving actual drug-related problems and preventing potential drug-related problems;

X. "pharmacist" means a person who is licensed as a pharmacist in this state;

Y. "pharmacist in charge" means a pharmacist who accepts responsibility for the operation of a pharmacy in conformance with all laws and rules pertinent to the practice of pharmacy and the distribution of drugs and who is personally in full and actual charge of the pharmacy and its personnel;

Z. "pharmacy" means a place of business licensed by the board where drugs are compounded or dispensed and pharmaceutical care is provided;

AA. "pharmacist intern" means a person licensed by the board to train under a pharmacist;

BB. "pharmacy technician" means a person who is registered to perform repetitive tasks not requiring the
