BILL SUMMARY

House Bill 179 changes the current monthly distribution to the local DWI grant fund from a percentage (45%) to a fixed dollar amount (\$2,084,000.00). House Bill 179 also changes the current monthly distribution to the drug court fund from a percentage (5%) to a fixed dollar amount (\$250,000.00). The remainder of the liquor excise tax after required contributions is distributed to a new "Alcohol Harms Alleviation Fund," which is also established in the bill as a nonreverting fund. The money contained in the Alcohol Harms Alleviation Fund is subject to appropriation by the legislature for alcohol harms prevention, treatment and recovery services to individuals throughout New Mexico.

House Bill 179 also increases liquor excise tax rates on alcoholic beverages for certain manufacturers and producers.
