#### **SECTION III: NARRATIVE**

#### **BILL SUMMARY**

Synopsis: House Bill 187 would increase the penalty for a felon charged with possession of a firearm under Section 30-7-16 NMSA 1978 from a third degree to a fourth degree felony offense and be subject to a minimum nine years imprisonment. This legislation would also increase the penalty for a serious violent felon from a third degree to a second degree felony and be subject to twelve years imprisonment. A person convicted under this new section would not be eligible for earned meritorious deductions pursuant to Section 33-2-34 NMSA 1978.

HB 187 does not contain an effective date and would be effective on May 15, 2024, 90 days following adjournment of the Legislature, if signed into law.

#### FISCAL IMPLICATIONS

As penalties become more severe, defendants may invoke their right to trial and their right to trial by jury. More trials and more jury trials will require additional judge time, courtroom staff time, courtroom availability and jury fees. These additional costs are not capable of quantification.

There will be a minimal administrative cost for statewide update, distribution and documentation of statutory changes. Any additional fiscal impact on the judiciary would be proportional to the enforcement of this law and commenced prosecutions. New laws, amendments to existing laws and new hearings have the potential to increase caseloads in the courts, thus requiring additional resources to handle the increase.

#### **SIGNIFICANT ISSUES**

Section 30-7-16(B) NMSA 1978 was amended in 2020 to increase the penalty from a fourth-degree felony to a third-degree felony for the offense of felon in possession of a firearm. This legislation seeks to again increase the basic sentence of imprisonment for this offense from three years imprisonment to a minimum sentence of nine years imprisonment.

#### PERFORMANCE IMPLICATIONS

The courts are participating in performance-based budgeting. This bill may have an impact on the measures of the district courts in the following areas:

- Cases disposed of as a percent of cases filed
- Percent change in case filings by case type
