employee or servant of a governmental entity, including elected or appointed officials, law enforcement officers and persons acting on behalf or in service of a governmental entity in any official capacity, whether with or without compensation, but the term does not include an independent contractor; and

[E-] F. "state" or "state agency" means the state of New Mexico or any of its branches, agencies, departments, boards, instrumentalities or institutions, including regional housing authorities."

SECTION 3. A new section of Chapter 15, Article 7 NMSA 1978 is enacted to read:

"[NEW MATERIAL] LOSS PREVENTION REVIEW TEAMS--MEMBERSHIP--DUTIES--REPORTING.--

A. State agencies shall notify the division immediately upon becoming aware of an individual's death or serious injury or other substantial loss that is alleged or suspected to be caused at least in part by the actions of a state agency.

B. The director shall appoint a loss prevention review team when the occurrence of an individual's death or serious injury or other substantial loss is alleged or suspected to be caused at least in part by the actions of a state agency Sf12→SFC→only in matters where the claim is pending before a court of competent jurisdiction←SFC←Sf12 . The review team shall be appointed in conjunction with the

defense counsel of the division within thirty days of the division becoming aware of such an occurrence.

C. A loss prevention review team shall be led by an attorney appointed by the director and additional persons identified by the loss prevention review team lead, who may include independent consultants, contractors, experts or state employees, but shall not include a person directly involved in the loss or risk of loss giving rise to a loss prevention review or a person with testimonial knowledge of the incident to be reviewed.

D. The loss prevention review team shall review the death, serious injury or substantial loss and the circumstances surrounding it, evaluate its causes and recommend steps to reduce the risk of such incidents occurring in the future. The review team shall accomplish those tasks by reviewing relevant documents and interviewing persons with relevant knowledge.

After the final judgment resolving any claims related to the loss and rights to appeal have been exhausted or any settlement agreements have been signed by the state and parties related to the loss, the review team shall submit a report in writing to the director and the head of the state agency involved in the loss or risk of loss. The report shall include the team's findings, an analysis of the causes, contributing factors and future risk and an exploration of methods that the state agency may use to address and mitigate the risks identified, including

changes to policies or procedures, any legislative recommendation necessary to address and carry out the risk treatment strategies identified in the report and the manner in which the agency will measure the effectiveness of its changes. The report shall include a written response to the findings, conclusions and recommendations from the head of the state agency involved in the loss.

E. A state agency shall provide loss prevention review teams ready access to relevant documents in the agency's possession and ready access to the agency's employees. Any interviews, transcripts, reports, recommendations, communications or other documents adduced or created in connection with a loss review investigation shall remain confidential until after final disposition of any related claims pursuant to Section 15-7-9 NMSA 1978.

F. The director may promulgate rules to implement the provisions of this section.

G. On or before October 1 of each year, the director shall submit a report to the legislature identifying the loss prevention reviews conducted in the past fiscal year, providing appropriate metrics on effectiveness and efficiency of loss prevention review team programs and summarizing any determinations of trends in incidents, including reductions or increases in the frequency or magnitude of losses and innovative approaches to mitigating the risks identified.
