SECTION III: NARRATIVE

BILL SUMMARY

Synopsis: **H-119** bill generates new program units for bilingual-endorsed educators, which can increase district revenue and incentivize proper placement. RECs benefit because districts may invest more in bilingual PD and staffing support. However, districts and RECs may face increased demand for bilingual PD and endorsement pathways without receiving additional funding.

FISCAL IMPLICATIONS N/A

Note: major assumptions underlying fiscal impact should be documented. Districts, especially rural districts will need adequate funding to generate these new program units.

Note: if additional operating budget impact is estimated, assumptions and calculations should be reported in this section.
