1 the teachers and principals who work with them on a day-to-day
2 basis;

3 (3) New Mexico is fortunate to have high

6 use in New Mexico classrooms; and

7 (4) there are large nonprofit programs in
8 place to build and rehabilitate computers for New Mexico
9 classrooms using a combination of donated, surplus and
10 purchased equipment.

11 B. The purpose of this act is to establish a
12 statewide educational technology opportunity program for New
13 Mexico's teachers and students by creating a partnership
14 between private industry, state government and local school
15 districts that will build, distribute and install low-cost,
16 network-ready computers in New Mexico classrooms over the next
17 three years.

18 Section 2. EDUCATIONAL TECHNOLOGY OPPORTUNITY

2 educational technology opportunity program, the contractor, in
3 coordination with the department, shall:

4 (1) solicit and accept applications for
5 computer assistance from local school teachers through the
6 local school principals;

7 (2) establish criteria for evaluating
8 applications for computer assistance. The criteria shall
9 include requirements for an established technology plan and an
10 established network infrastructure;

11 (3) establish a review process involving
12 public and private entities to evaluate each application,
13 determine the amount of computer assistance needed and

15 assistance is distributed equitably; and

16 (4) submit an annual report to the state
17 board of education, the governor and the legislature on the
18 progress of the program, showing the regional distribution of
19 the program, the number of computers distributed and the cost
20 of each computer.

21 B. Upon the approval of an application for
22 computer assistance, the contractor shall distribute the
23 allocated computers directly to the classroom and teacher.
24 Pursuant to the contract and upon the receipt of an invoice,

8 Section 3. APPROPRIATION.--Two million dollars
9 (\$2,000,000) is appropriated from the general fund in fiscal
